a fascinating expose proving that nazi germany won the race for the atom bomb in late 1944 were the nazis secretly researching the occult alternative physics and new energy sources this scientific historical journey tracks down the proof and answers these fascinating questions what were the nazis developing in czechoslovakia why did the us army test the atom bomb on hiroshima why did the luftwaffe fly a non stop round trip mission within twenty miles of new york city in 1944 publisher s description

since its publication in 1960 william l shirer s monumental study of hitler s german empire has been widely acclaimed as the definitive record of this century s blackest hours the rise and fall of the third reich offers an unparalleled and thrillingly told examination of how adolf hitler nearly succeeded in conquering the world with millions of copies in print around the globe it has attained the status of a vital and enduring classic

richard evans brilliant book unfolds perhaps the single most important story of the 20th century how a stable and modern country in less than a single lifetime led europe into moral physical and cultural ruin and despair a terrible story not least because there were so many other ways in which germany s history could have been played out with authority skill and compassion evans recreates a country torn apart by overwhelming economic political and social blows the first world war versailles hyperinflation and the great depression one by one these blows ruined or pushed aside almost everything admirable about germany leaving the way clear for a truly horrifying ideology to take command

what would have been the outcome of world war ii if germany had succeeded in developing their vengeance weapons earlier in the war and had been able to mass produce them this novel provides the answer in an action packed story one that came uncomfortably close to actually occurring

victor klemperer was professor of french literature at dresden university as a jew he was removed from his post in 1935 only surviving thanks to his marriage to an aryan presenting a study of language and its engagement with history this book draws from klemperer's conviction that the language of the third reich helped to create its culture
