this book discusses various aspects of the theory and practice of magic in antique cultures around the mediterranean while some of its contributors address problems of methodology of research into magic and the definition of magic others deal with specific historical and textual issues although a major focus is on jewish texts ranging from antiquity to the medieval period the book also includes studies of several magical texts from ancient mesopotamia and their impact on later magical practice and studies of greek and zoroastrian texts and artifacts the approaches thus range from the examination of textual or visual sources to theoretical issues such as the history of research and the definition of magic

a city of turmoil a string of disappearances the deciding move of a perilous game it s springtime in monfort and unrest is stirring everywhere shops are closing trust in the crown is faltering and support for pon lanali s anti magic rhetoric is growing by the day but for kaedrich mannly it s all background noise between classes at the academy of arms work independent studies and a new batch of friends there s little time for such concerns or mercifully for thoughts of praxis fellows to creep back in the last thing that kaedrich needs

is an extra complication so of course it s now with the academy trials coming up that praxis appears unexpectedly alongside her comes news of mysterious disappearances sweeping the city and soon the two of them are once again caught up in a tangle of secrets and danger it has to be lanali s doing but can they prove that before it s too late and more importantly will it ever be the right time for the truth of kaedrich s feelings to come out

the last thing that praxis fellows expected was to ever return to her family s home but when pon lanali seizes control of durland and danger looms behind every corner there is no other choice while yandosia may not be praxis s favorite place only the fellows can provide a safe haven for her and kaedrich manly except that things at home aren t quite what praxis planned on with the fate of the family company hanging in the balance rivalries and betrayals become common ground and now something darker is lurking unburied from the deepest depths of the mine how long can praxis and kaedrich resist being drawn into the quagmire of family politics and just how much damage is lanali doing to kaedrich s own home up north while the two of them are stuck under the ice
