which exercises do the best job toning my thighs and legs what routine will really help me lose weight once and for all why should i skip crunches if i m trying to turn my beer belly into a six pack if you re looking for answers just ask lizzy as america s premier fitness guru and the bestselling coauthor of buns of steel and weight training for dummies liz neporent has helped hundreds of satisfied individuals get in shape now she wants to help you easy to follow results oriented and completely illustrated with photographs the ultimate body is a dream come true for women looking to shed pounds tone muscles and feel

the fittest they have ever felt in their lives inside you ll discover pre workout prep can do motivational strategies goal setting and how to develop a workout schedule that is tailor made for you the perfect beginner workout if you re feeling out of shape the buff starts here with modified push ups partial ab rolls and pelvic tilts the perfect gym workout lizzy takes you step by step through the most effective machine circuit at the gym and takes away the intimidation the perfect weight loss workout exercises that will help you lose body fat and keep it off from jumping rope to jumping jacks the perfect strength workout muscle building and strength maximizing routines and the secrets of the world s strongest athletes the perfect no crunch abdominal workout attain a flat toned tummy with ball crunches hovers and mini leg lowers plus the mind body workout for calming the mind the travel workout for keeping fit on the road a stretch workout for improving flexibility and posture the perfect legs and butt workout for tight buns and gorgeous gams and the perfect upper body workout for sculpting those muscles north of the waistline highlighted throughout with personal stories and anecdotes from fitness experts and people who successfully put into practice lizzy s routines this accessible guide makes feeling fit and looking great a snap go sweat

introducing the minimalist approach to achieving a trim toned and functionally fit body all from the comfort of your home without any expensive equipment are you a woman who struggles to find the time to get to the gym is your gym still closed due to covid19 restrictions do you feel completely overwhelmed when you walk into a gym not knowing where to start or what machines to use the facts are that although gyms are a great recourse to improve your fitness and body it is purely a luxury and many of those big machines you see are not necessary when it comes to burning fat and reshaping your body and in the midst of a global pandemic going to gym may not be a possibility for you for many months which is why more than ever you need a home workout routine to reach your fitness goals the problem with a lot of workout programs is that they are often complicated and ask too much of it s participants sometimes requiring five to six hour long workouts per week the problem first of all is it s not sustainable to keep up with leaving very little time for recovery an important component in not only becoming fit strong and lean but also remaining injury free fitness is meant to enhance our lives not take away from it

and spending countless hours working out following programs that quite frankly are suited more to professional athletes rather than everyday people like you and me it's time to make fitness an enjoyable part of your life not something you dread having to do everyday which is why we advocate a minimalist approach to reshaping your body allowing you more time to show off your results instead of being a slave to your workouts this workout program requires zero equipment it can be performed anywhere regardless of space and by anyone regardless of your current fitness level it will take you from a complete beginner with no exercise experience all the way up to a fit functionality strong woman ready to dominate life and inspire the people around you no gym membership or home equipment needed just your body and a chair will see you through to the best shape of your life here's a slither of what's inside busting through the myths of the fitness industry including 1 that has continued to lead women down the wrong path when transforming their bodies for decades an equation to calculate your own individual caloric needs guaranteeing results as well as a simple way to construct your meals if you're not a calorie counter a progressive workout system built with exercises that will improve your everyday movement it will have you not only looking great but moving greater workouts that don't get in the way of your life and other commitments many of these workouts are 15-20 minutes in duration but are far more targeted and effective a shopping list with foods that are not only delicious but also helps fight off free radicals the cause of aging and illness in the body full support from both Rebekah and Michael in our free private Facebook group as well as being able to connect with others on the same journey and so much more even if you've tried every workout plan out there without achieving the desired outcome this book will show you how you can finally have a body that is the envy of your friends and family without having to commit to long tedious workouts everyday if you're sitting there thinking nothing will work for you and that you're stuck with your current body shape forever if you're simply sick and tired of being sick and tired if you have made the decision to make a change it's time to unleash

updated version after reading reviews I have now included full photograph exercise demonstrations increased text size and simplified the routine to zone in on strength gain and fat loss more efficiently introducing the minimalist approach to achieving

a trim toned and functionally strong body all from the comfort of your home without any expensive equipment are you a woman who struggles to find the time to get to the gym do you feel completely overwhelmed when you walk into a gym not knowing where to start or what machines to use the facts are that although gyms are a great recourse to improve your fitness and body it is purely a luxury and many of those big machines you see are not necessary when it comes to burning fat and reshaping your body the problem with a lot of workout programs is that they are often complicated and ask too much of it's participants sometimes requiring five to six hour long workouts per week the problem first of all is it's not sustainable to keep up with leaving very little time for recovery an important component in not only becoming fit strong and lean but also remaining injury free fitness is meant to enhance our lives not take away from it and spending countless hours working out following programs that quite frankly are suited more to professional athletes rather than everyday people like you and me it's time to make fitness an enjoyable part of your life not something you dread having to do everyday which is why we advocate a minimalist approach to reshaping your body allowing you more time to show off your results instead of being a slave to your workouts this workout program requires zero equipment it can be performed anywhere regardless of space and by anyone regardless of your current fitness level it will take you from a complete beginner with no exercise experience all the way up to a fit functionality strong woman ready to dominate life and inspire those around you no gym membership or home equipment needed just your body and a chair will see you through to the best shape of your life here's a slither of what's inside busting through the myths of the fitness industry including 1 that has continued to lead women down the wrong path when transforming their bodies for decades an equation to calculate your own individual caloric needs guaranteeing results as well as a simple way to construct your meals if your not a calorie counter a progressive workout system built with exercises that will improve your everyday movement it will have you not only looking great but moving greater a program that won't get in the way your life and other commitments as you will only be training 3 days per week why bodyweight training is superior to weight training to building a truly functionally strong body that keeps you younger longer full support from myself in my free private facebook group as well as being able to connect with other women on the same journey and so much

more if you're sitting there thinking nothing will work for you and you're stuck with your current body forever if you're sick and tired of being sick and tired if you have decided it's time to unleash the strongest version of yourself to the world then this book is your ticket to busting through that door so if you want a proven way to finally get the body of your dreams and effortlessly maintain it without any equipment then scroll up and click add to cart

fitness at home effective workouts with minimal equipment is your ultimate guide to achieving your fitness goals without the need for a gym this comprehensive resource offers a variety of bodyweight exercises and routines tailored for all fitness levels focusing on strength cardio flexibility and core stability with practical tips for creating a personalized workout plan staying motivated and overcoming common challenges you'll be empowered to embrace a healthier lifestyle from the comfort of your home whether you're a beginner or an experienced athlete this guide will help you unlock your potential and make fitness an enjoyable part of your daily routine home workouts bodyweight exercises fitness at home strength training cardio workouts flexibility training core strength workout plan motivation for fitness minimal equipment workouts
