art and adaptability argues for a co evolution of theory of mind and material art culture the book covers relevant areas from great ape intelligence hominin evolution stone age tools paleolithic culture and art forms to neurobiology we use material and art objects whether painting or sculpture to modify our own and other people s thoughts so as to affect behavior we don t just make judgments about mental states we create objects about which

we make judgments in which mental states are inherent moreover we make judgments about these objects to facilitate how we explore the minds and feelings of others the argument is that it s not so much art because of theory of mind but art as theory of mind
