this best selling text continues to offer a comprehensive introduction to the field of social work with a unique focus on the diverse groups to whom social workers provide services including children older adults disabled persons and members of minority racial and ethnic groups now in its eleventh edition social work a profession of many faces has educated approximately 150 000 students since 1977 it has stayed current with changes in the human services and social work profession introducing proactive cutting edge material rather than maintaining a reactive position as reflected in most other texts of its kind especially timely issues that this edition addresses include the following the events of 9 11 and their dramatic influence on human services in the united states united states involvement in middle east warfare and the aftermath of physical and emotional damage to individuals involved and their families and the 2000 census and how substantial changes in the u s population suggest a need for realignment of social services fundamentally this text includes historical material on the emergence of social work as a profession the areas and groups where human services are provided and career opportunities for social workers today the book reflects up to date empirical data about where social workers are employed what positions they hold what personal characteristics they bring to their practice and the competencies required to perform their work

with over 40 000 copies sold across its lifetime this is social work classic from a leading international author synthesizing the complex ideas and concepts that characterize social work's value base sarah banks expertly provides a clear and systematic account of professional ethics in relation to social work practice framed within a global context ethics and values in social work is co published with the british association of social workers basw and this fifth edition provides revised and updated analysis of professional regulation and codes of practice written with banks trademark accessibility and theoretical rigour this updated edition continues to be a relevant and invaluable resource for all students taking ethics and values modules at both undergraduate and postgraduate levels as well as educators and practitioners of social work new to this edition revised and updated analyses of professional regulations and codes of practices updated case studies with an increased number of global examples of social work practice more cases featuring adults

this one stop text for new and prospective social work students is easy to read and full of essential information and practical advice about what is needed to qualify and practice in social work

introduction to social work the people's profession is an engaging introduction into the social work profession designed for students interested in social work but uncertain of the nature of the profession the authors are guided by a set of questions who are social

workers what is it that social workers do how is the social work profession changing the authors effectively communicate their own passion and enthusiasm for social work while realistically portraying the pressures and obstacles that social workers face unique profiles of contemporary social workers provide insight into their lives and the profession the relaxed tone also prompts student self reflection about his or her role as a social worker the 3rd edition has been redesigned around the 2008 educational policy and accreditation standards for social work education and code of ethics information including topics ranging from traditional agency based practice to less conventional settings such as political and international social work

everything you need to succeed in your social work degree written by subject experts this essential guide will introduce you to all the core areas of your course helping you develop the knowledge and skills you need to practice with confidence since launching in 2003 transforming social work practice has become the market leading series for social work students these books use activities and case studies to build critical thinking and reflection skills and will help social work students to develop good practice through learning these books are affordable written to the professional capabilities framework mapped to the social work curriculum practical with clear links between theory and practice

social work contexts and practice is a practical introduction to contemporary issues in social work providing the context of practice and the broad influences shaping the vision and development of the social work profession it demonstrates how knowledge contributes to flexible social work responses and identifies the ways in which research findings theoretical insights and practice wisdom can be integrated within dynamic practice frameworks the fourth edition brings together a team of expert authors to guide students through the unique experiences of social work across australia and aotearoa new zealand it explores how the enduring commitment to social justice and the protection of human rights shapes social work perspectives and practices

the eighth edition of this classic textbook confronts students with the two central issues of the social work profession how can social workers help people deal with personal misfortune and what can social workers do to help bring about a just society answers to these questions come from the book s four main sections part one offers perspectives about social work and the kinds of things social workers do part two describes the major policies and programmes social workers use to help people part four discusses helping methods the ways clients are connected to social resources employed by social workers part five provides case studies that show these helping processes in action the field of social work s an excellent text for an introductory course in social work it provides the student with a general introduction to the principles of social work and proceeds to applications of specific social work methods providing case studies that illustrate the applications of these methods changes that have been made in the eighth edition include new chapters dealing with case management and social work with families contemporary case studies such as an example of social work in an industrial setting current methods of social work practice and the latest techniques for applying these methods innovative ways of working with minorities new material reflecting the growing interest in working with self help groups

this book was created to describe the social psychological approach spa to the social work process it has long been asserted that social workers need to understand and use social psychology in their practice yet the literature avail able to social workers has been limited there have been no texts on social psychology specifically designed for social

workers instead social workers have been presented with various forms of individual psychology and macrosocial ogy there is however an important contribution which social psychology the study of the individual in a social context can make to the social work process this contribution is the central concern of this book consequently the book is seen as filling a fundamental gap in the existing social work literature the structure of the book is dictated by the belief that social workers and social psychologists should collaborate in evolving a social psychological model of social work practice such a model the result of collaboration between a social worker and a social psychologist is presented here the book is addressed not simply to teachers and students of social work but also specifically to social work practitioners and to social psychologists besides all those who deal with social work problems in addressing a wide audience it is important to establish a lingua franca social workers need to understand the basics of social psychology and social psychologists must understand the basis of social work practice

this textbook offers the perfect introduction to the complex world of social work theory giving a concise yet comprehensive overview of how practice is influenced by each theoretical approach described the book begins by outlining the origins and historical context of social work which allows the reader to see how theoretical fashions have changed and adapted to certain times and concludes with advice on the best way forward for the modern day social worker packed with thought provoking discussions surrounding the topic students will be encouraged to question the theories portrayed a skill crucial to being a truly effective social work practitioner written by one social work s most highly regarded commentators the book s accessible and easy to read writing style makes it a must have companion for students and practitioners looking to gain an overall view of social work theory

there are certain questions that all students considering social work ask who are social workers what is it that social workers do how is the social work profession changing what does it take to become a social worker ira colby and sophia dziegielewski bring their decades of experience in social work practice and education to answer these questions this engaging text gives readers a practical guide to the many ways in which social workers effect change in their communities and the world the authors offer an overview and history of the profession introduce readers to the practice of social work at the micro mezzo and macro level and finally look closely at the many settings and populations that social workers work with while realistically portraying the pressures and obstacles that social workers face colby and dziegielewski communicate their own passion for social work
