advanced students of literary criticism would definitely find this book stimulating as well as illuminating as it presents a penetrating analysis of the major theories and practices of all the dominant groups of literary critics of our times in the course of the critical survey of the critical principles and methods of all the major cities the chicago critics attempt a critique of contemporary criticism in their monumental work critics and criticism essays in method of the chicago critics hence the focus of this book is on the pluralistic approach of these critics who were aware of the powers and limitations of all the critical methods each critical method even the aristotelian method for which they developed a bias addresses a certain range of questions beyond which it loses its utility no critical method as they point out is all embracing critical system of critical philosophy critics having exclusive commitment to a particular critical system are bound to be partial critics so a pluralistic approach should be the ideal one but in order to be a pluralistic critic a student of literary criticism must be conversant with all the major critical approaches the present book is significant in the sense that it has the capacity to train teachers and students of literature in the art of literary appreciation that enhances the enjoyment of literary works since every literary piece is a constructed whole aristotle s method provides clues to its specific constructive principle through a process of regressive reasoning the aposteriori approach the special discussion of the chicago method in this book explains the aristotelian bias of the chicago critics who were actually neo aristotelians in a limited sense they began where aristotle left off to pursue similar lines of study in the poetics of modern literature as the chicago school of criticism is a brilliant exercise in remedial criticism this book may serve as materia medica of critical theories and practices for students and teachers of literary criticism

the validity of this little book says the author depends upon the belief that the character of a writer s whole achievement can only be felt and assessed by responding sensitively to the way in which he uses words mr coombes has admirably justified this belief he shows us how to read with greater attentiveness discrimination and enjoyment his book enables us to criticize as we read and therefore to get more satisfaction from our reading it is based upon the analysis of poems and prose passages dealing in turn with rhythm rhyme imagery thought feeling and diction throughout mr coombes keeps his eye on the ball never losing sight of the writer s medium the words themselves he has the serious approach the perceptiveness the good sense and the power of holding our attention which are the marks of a born teacher literature and criticism will prove invaluable to teachers of english and senior students in particular and in general to everyone who is interested in literature and wishes to deepen his appreciation of it by discovering how it works the author gives us in an appendix a series of passages from english prose and poetry grouped in pairs upon which we may practice the critical methods we have learnt from him publisher

each number includes reviews and book notices
