this volume part of the towards freedom series contains primary sources and archival documents related to the year 1939 the first part which has now been published systematically covered in four chapters different aspects of the history of british the governments of the 1937 elections the role of india in world war ii the role of congress or the state people s conference and the developments in princely india this second part covers the other political developments of the fundamental to the year 1939 the workers struggles and strikes in different parts of india elections to various congress committees activities of the left parties organizations and blocks and the communal and sectarian politics of the time in the introduction to the volume mushirul hasan provides the context of this part of the volume and provides the contours of the documents

this title was first published in 2002 this text addresses the problem of conflict that arises between the human right to freedom of religion and the human right to freedom of belief for example certain religious beliefs are in conflict with certain women s rights the pricipal goal of this book is

to distinguish between the more formalized and recognized notion of protecting religious beliefs from what is referred to as conscientious beliefs a belief external to a religious context

short listed for the 1995 silver birch award eleven year old josie grun escapes from communist east germany with her mother and father one dark night in 1989 just months before the berlin wall comes tumbling down braving border guards barbed wire and rifle shots josie reluctantly turns her back on her best friend greta and all that was once familiar she crosses the ocean to join her uncle in calgary attempts to learn a foreign language and overcomes the prejudices of her schoolmates in order to forge a new life clinging to the passion that has always been a comfort her figure skating she enters a local competition to prove that she is free on the ice and off

the true story and the black citizens behind the evolution of racial equality in minnesota he had just given a rousing speech to a packed assembly in st paul but frederick douglass confidant to the great emancipator and conscience of the republican party was denied a hotel room because he was black this was minnesota in 1873 four years after the state had approved black suffrage a state where freedom meant being unshackled from slavery but not social restrictions where equality meant access to the ballot but not to a restaurant downtown spanning the half century after the civil war degrees of freedom draws a rare picture of black experience in a northern state and of the nature of black discontent and action within a predominantly white ostensibly progressive society william d green reveals little known historical characters among the black men and women who moved to minnesota following the fifteenth amendment worked as farmhands and laborers built communities such as pig s eye landing later renamed st paul businesses and a newspaper the western appeal and embodied the slow but inexorable advancement of race relations in the state over time within this absorbing often surprising narrative we meet ordinary citizens like former slave and early settler jim thompson and black barbers catering to a white clientele but also personages of national stature such as frederick douglass booker t washington and w e b du bois all of whom championed civil rights in minnesota and we see how in a state where racial prejudice and oppression wore a liberal mask black settlers and entrepreneurs politicians and activists maneuvered within a restricted political arena to bring about real and lasting change
