the legendary man recounts his journey from a childhood in oklahoma to an presidential medal of honor winning african american historian an astonishing beautiful deeply intelligent record of an extraordinary life required reading lest we forget what is possible in a race based society toni morrison winner of the 1993 nobel prize in literature john hope franklin s story is the stuff of american legend the washington post book world from his effort in 1954 to hand president franklin d roosevelt a petition calling for action in response to the cordie cheek lynching to his 1997 appointment by president bill clinton to head the president s initiative on race and continuing to the present celebrated scholar and bestselling author john hope

franklin has influenced the nation's racial conscience with determination and dignity whether aiding thurgood marshall's preparation for arguing against robert bork's nomination to the supreme court in 1987 franklin has pushed the national conversation on race toward humanity and equality a lifelong effort that earned him the presidential medal of freedom the nation's highest civilian honor in 1995 intimate at times revelatory mirror to america chronicles franklin's life and this nation's racial transformation in the twentieth century and is a powerful reminder of the extent to which the problem of america remains the problem of color john hope franklin is a true role model he embodies the native optimism i.e. that one can go from slavery to freedom from ignorance to intelligence can experience cruelty yet manifest kindness in mirror to america each citizen can see herself and himself reflected in the life of this great american maya angelou franklin comes across on these pages as the rarest sort of patriotic american one who believes this nation should actually live up to its lofty ideals of justice and equality for all that franklin has maintained his lifelong patience and gentle sense of humor in the face of legal and extralegal racism is a true testament to the man san francisco chronicle franklin weaves enthralling tales that provide both an intimate glimpse of franklin the man and a critical look at the times in which he lived the charlotte observer

in 1947 john hope franklin then a professor of history at north carolina college for negroes wrote from slavery to freedom now in its eighth edition that book which redefined our understanding of american history remains the preeminent record of the african american experience with it and a dozen other books franklin has been established as the intellectual father of black studies tributes to john hope franklin focuses on this esteemed scholar's academic achievements his humanitarian contributions and his extraordinary legacy this collection of comments by franklin's students colleagues family and friends captures the man and his work for future generations tributes offered by franklin's admirers walter b hill jr david leveraging lewis alfred a moss jr darlene clark hine loren schweninger daryl michael scott george m fredrickson mary frances berry and many others attest to franklin's commitment to his intellectual pursuits to public service and most important to his students franklin's dedication to mentoring those who sought his help as well as providing for his family is beyond compare in one essay john w franklin offers an inside view of growing up with john hope and aurelia franklin detailing the travels and associations that were a part of his experience as their son alfred moss coauthor of the last three editions of from slavery to freedom shares special images of franklin as mentor to a young anglican priest genna rae mcneil shows us the quintessential teacher through the eyes of a passionate young scholar beginning her own voyage into the study of american history george fredrickson takes on the challenge of explaining the complexity of the work of this man who has been both a fervent proponent of racial equality and a practitioner of detached objective dispassionate historical scholarship each of the pieces by men and by women by blacks and by whites by several generations of participants in the twentieth century's journey toward a better america recalls for us what a vital role john hope franklin has played in that voyage tributes to

john hope franklin is a joy to read and an incredible opportunity to celebrate a life and a body of historical work dedicated to achieving and sharing the wisdom that scholarly excellence provides

interview transcripts in book form

from john hope franklin america's foremost african american historian comes this groundbreaking analysis of slave resistance and escape a sweeping panorama of plantation life before the civil war this book reveals that slaves frequently rebelled against their masters and ran away from their plantations whenever they could for generations important aspects about slave life on the plantations of the american south have remained shrouded historians thought for instance that slaves were generally pliant and resigned to their roles as human chattel and that racial violence on the plantation was an aberration in this precedent setting book john hope franklin and loren schweninger demonstrate that contrary to popular belief significant numbers of slaves did in fact frequently rebel against their masters and struggled to attain their freedom by surveying a wealth of documents such as planters records petitions to county courts and state legislatures and local newspapers this book shows how slaves resisted when where and how they escaped where they fled to how long they remained in hiding and how they survived away from the plantation of equal importance it examines the reactions of the white slaveholding class revealing how they marshaled considerable effort to prevent runaways meted out severe punishments and established patrols to hunt down escaped slaves reflecting a lifetime of thought by our leading authority in african american history this book provides the key to truly understanding the relationship between slaveholders and the runaways who challenged the system illuminating as never before the true nature of the south's most peculiar institution

nearly a decade has passed since the publication of the ninth edition of the new from slavery to freedom in the preface of that edition i introduced the theme the present in history to describe the organizing principle that informed my revision of this classic survey of african american history the theme reflected the book's inclusion of new chapter titles and information new historical actors and intellectual crosscurrents as well as new scholarly interpretations and methodologies in the ninth edition i asserted that historical scholarship is not only different but far more complex than in 1947 or in 1967 or in 1988 or even in 2000 the dates of some of the earlier editions including the eighth edition provided by publisher

some vols include supplemental journals of such proceedings of the sessions as during the time they were depending were ordered to be kept secret and respecting which the injunction of secrecy was afterwards taken off by the order of the house

biographical studies of fifteen twentieth century black leaders

the eighth edition of this best selling text has been thoroughly revised to include

expanded material on the slave resistance the recent history of african americans in the united states more on the history of women and popular culture the text has also been redesigned with new charts maps photographs paintings illustrations and color inserts and an extensive package has been assembled using technology and other multimedia to bring history to life written by distinguished and award winning authors retaining the same features that have made it the most popular text on african american history ever and with fresh and appealing new features from slavery to freedom remains the most revered respected honored text on the market

this work charts the journey of african americans from their origins in the civilizations of africa through slavery in the western hemisphere to their struggle for freedom in the west indies latin america and the united states
