discover how to get the guy you want and avoid dead end first dates the qualities that men love and look for in a woman while on a date will be very very different from the qualities women want and desire most in a man unfortunately it s this lack of knowledge regarding these differences that tends to confuse and trip many women up during those first few dates if you don t know what men want and what makes them feel love smitten on a date then you might find yourself struggling to connect with quality men and unable to keep them interested in you how to keep him coming back for more after every date many women make the mistake of accentuating the qualities they find most attractive in a man thinking that by emphasizing these qualities on dates they are more likely to find someone compatible just because you get turned on and excited about a certain

quality in a man doesn't mean he's going to feel excited about you if you possess that very same quality men want and look for very different things in their ideal romantic partner than women fortunately once a woman understands what those different things actually are she's going to have a much easier time creating chemistry and forming emotional connections with the kinds of men she wants most why men love and need to feel your feminine energy on a date a man cannot feel an emotional attraction to a woman based on her career success education and other similar status based factors he needs something else from her something that he cannot get from his guy friends his career or even his hobbies this is great news for single women because from the very first date a man will be way more interested in a woman's feminine energy what he truly wants is to feel a romantic connection with her the kind he can only experience in the presence of a woman who appreciates his company and who might even fall in love with him this insightful dating book for women was designed to help you become one of those lucky ladies that great guys keep pursuing long after the first few dates in it you'll discover how to maximize your feminine energy on dates so that you can spark more chemistry and create deeper emotional attraction with men you genuinely want to see again and maybe even fall in love with here's what you're going to learn inside the one thing any woman can do at the very beginning of a date to melt a man's heart and make him determined to show her a good time a huge first date etiquette mistake you must avoid if you want a great guy to take you seriously and see you as a woman with class what you should never say to him even if you feel insecure about your looks personality past relationships career etc how to keep him interested in you after the date by giving him the one thing he wants more than anything during the date a sweet and irresistible classy girl move that will keep you hot on a man's mind long after the date hint only use this technique on a guy you genuinely want to see again how to encourage a guy to take the lead on a date and why doing so will skyrocket his attraction to you what future oriented men secretly look for in a woman's behavior that immediately reveals if she's girlfriend or even wife material exactly what to say to a guy or even text him at the end of the date if you want him to ask you out again much sooner than later and much much more would you like to know more get started right away and discover how to captivate your date and make him beg to see you again scroll to the top of the page and select the buy button now
