this book is a partial translation of liu feng wu fu ke jing yan liu fengwu s experiences in gynecology compiled by the beijing college of chinese medicine and the beijing municipal academy of chinese medicine and published by the people s health hygiene press and the sichuan new china publishing company in 1982 editor s preface

gynecology in chinese medicine is an extensive text written by expert tcm specialists in china covering the theory and practice of tcm gynecology and obstetrics in great depth the book is made up of two major parts with a general discussion on tcm gynecology and specific individual discussions on female physiology and pathology the diagnoses of gynecological diseases the treatment of gynecological diseases and gynecological disease prevention and hygiene specific discussions introduce fifty types of gynecological diseases ranging from menstruation leukorrhea pregnancy and postpartum conditions and other miscellaneous diseases the overview includes definitions characteristics and categories etiologies and pathomechanisms are depicted in the form of flow charts convenient for memorization diagnostics consist of medical histories clinical manifestations and examinations treatments consist of pattern identification essentials therapeutic principles and pattern oriented treatments along with acupuncture and moxibustion treatments the case discussions include abstracts of cases and detailed analyses

new edition of the most comprehensive chinese medicine obstetrics and gynecology textbook in the english language world renowned author and teacher giovanni maciocia gives a clear detailed explanation of the physiology pathology and aetiology of women s disorders in traditional chinese medicine tcm and adapts these to western conditions and patients seventy gynecological conditions are discussed in detail with consideration given to differentiation between conditions the advised treatment using acupuncture and herbs prevention and prognosis guidelines on lifestyle and use of the eight extraordinary vessels are provided with case studies allowing easy application of theory to practice throughout new for this edition new attractive two colour layout with book marks to ease navigation endometriosis and its treatment now included and fully covered in a new chapter infertility chapter includes recent research highlighting factors in infertility all prescriptions now removed from the text and attractively presented in three appendices patient remedies prescriptions and three treasure remedies obstetrics and gynecology in chinese medicine is a paradigmatic work it is tempered with reverence and innovation meticulous archival attention and detailed modern clinical insight when future generations look back at this work they will find not only knowledge and wisdom but also reasons for inspiration and awe from the foreword to the first edition by ted j kaptchuk associate director centre for alternative medicine research beth israel hospital instructor in medicine harvard medical school boston usa physiology and pathology of women s disorders in chinese medicine aetiology and diagnosis of women s disorders differentiation and treatment including acupuncture herbs and patent remedies

of 64 gynecological conditions prevention and prognosis for each disease approximately 100 case histories from the author's own practice a detailed discussion of the use of the eight extraordinary vessels in gynecology

the author dr liu zheng cai helps clarify what the specifically daoist contributions to the practice of acupuncture actually are included in this book are numerous short biographies of daoist physicians detailed explanations on the clinical use of such chrono acupuncture techniques as midday midnight point selection and the magic turtle eight methods moxibustion techniques for longevity and emergencies and other secret daoist acupuncture lore 260 pages

more than 40 million women in the united states are now experiencing menopause and it is affecting their sex drive energy level and emotions this book explains how chinese medicine can aid in the diagnosis treatment and prevention of menopausal problems restoring balance to a woman's body topics covered include chinese self care and home remedies and information on chinese dietary therapy exercise and deep relaxation

pregnancy and childbirth brings together for the first time western and eastern approaches providing a sound amalgamation of theoretical and practical information for bodywork practitioners world wide it describes in detail the application of massage and shiatsu from early pregnancy including work during labour and for the first year postnatally for the mother this is a useful source of information for massage therapists shiatsu practitioners osteopaths physical therapists chiropractors reflexologists aromatherapists acupuncturists yoga and pilates instructors for students and practitioners to use as a learning manual and reference tool the text provides clarity of information full text referencing clear diagrams photographs and summary boxes clinical accuracy reviewed by and with contributions from international specialists including midwives obstetricians osteopaths chiropractors acupuncturists aromatherapists and massage therapists

understanding and treating hot flashes in menopause with chinese medicine is the first book in history to be written on the subject this book combines chinese medicine concepts with current western medicine frameworks of science and understanding of patho mechanisms for a contemporary treatment approach to hot flashes in menopause dr grosam explores both western biomedicine including the roles of estrogen and neurotransmitters and chinese

medicine historical theory to provide an up to date understanding of hot flashes and menopausal transition exploring current treatments in western medicine as well as acupuncture and herbs he presents a complete evaluation of how modern treatment strategies can be improved through an integrated approach allowing for a deeper understanding of the causes of hot flashes in menopause this book opens doors to fresh approaches and treatment strategies for women s healthcare practitioners from both branches of medicine

this book discusses the disease causes and mechanisms pattern discrimination treatment principles and chinese medical treatmnet of more than 20 traditional chinese psychiatric diseases as well as the same information on 12 modern western psychiatric disorders each chapter dealing with either a traditional or modern disease category also includes extensive information on the western medical nosology etiology differential diagnosis pathophysiology epidemiology treatment side effects and criteria for referral written by a western psychiatrist there are also abstracts of recent chinese and western research as well as multiple case histories

the world s leading authorities discuss healing with alternative and complimentary therapies and the latest innovations in the study of breast cancer illustrations

one of canada s most trusted and beloved health practitioners introduces western women to the wisdom of traditional chinese medicine and the time tested practices that have helped optimize physical and emotional health for centuries since establishing her practice in canada twelve years ago dr xiaolan zhao has treated thousands of women suffering from fatigue pms infertility depression menopausal symptoms and other gynecological disorders health problems that are all too common in the west but less so in china where traditional chinese medicine tcm has been an integral part of women s lives for thousands of years as a physician originally trained in western medicine who later took up the practice of tcm dr zhao has seen how effective the chinese approach is for her patients and she d like to see more canadian women incorporating its wisdom and practices in their own lives as a complement to their regular health care in reflections of the moon on water she explains the unique philosophy behind the healing tradition a way of thinking that is liberating and empowering for women sharing stories from her own life and the lives of her patients dr zhao shows that we have nothing to reject about our feminine selves and explains how we can

develop new relationships with our bodies and our emotions there is so much every woman can do in terms of ongoing and preventative self care to improve her health and vitality and prevent illness by making simple changes in diet exercise routine sex life and the way we deal with stress and our emotions we can profoundly improve our health now and into the future many westerners think chinese medicine sounds too complicated or too esoteric they find discussions of yin and yang or the life energy known as qi intimidating in fact chinese medicine is very simple and accessible many of the herbs we use are ordinary ones sometimes i might treat a patient s sinus condition with eucalyptus or other familiar herbs and she ll say oh that smells just like what my grandmother used to give me so much of chinese medicine is based on intuition and common sense although the history behind tcm is 5 000 years old 4 500 years older than our scientific traditions it is knowledge open to anyone excerpt from reflections of the moon on water

a world list of books in the english language

provides information on chinese medicine in relation to menopause and how it may help the physical and emotional discomforts associated with menopause

Yeah, reviewing a books **Fu Qing Zhus Gynecology** could amass your near friends listings. This is just one of the solutions for you to be successful.
