Fully Accomplish Your Ministry References Fully Accomplish Your Ministry References A Definitive Guide Ministry in its broadest sense is a calling to serve Whether youre a pastor missionary youth leader or simply someone deeply involved in your church community strong references are crucial for credibility trust and advancement These references arent just names on a list theyre vital endorsements showcasing your character abilities and suitability for various ministry roles This guide provides a comprehensive approach to securing and maximizing the impact of your ministry references

I Understanding the Power of References Imagine applying for a highstakes job A strong resume and interview are essential but a glowing recommendation from a respected professional significantly increases your chances Ministry references function similarly They validate your claims filling in the gaps a resume or interview cannot They act as thirdparty testimonials offering an unbiased perspective on your spiritual maturity leadership skills work ethic and relational aptitude Think of references as the proof of your ministry journey They demonstrate not just what you say youve accomplished but what others have witnessed you accomplish Theyre a crucial component in assessing your overall suitability and potential for future ministry endeavors

II Identifying and Selecting the Right Referencers Choosing your referencers is not about picking your closest friends Its about strategic selection based on their ability to authentically speak to your relevant skills and character Consider these factors

- Relevance Select individuals who have directly observed your ministry work in the specific area youre applying for A youth pastor would be a better reference for a youth ministry position than a senior pastor who hasnt directly witnessed your work with young people
- Authority Choose individuals with established credibility within the ministry context This could include senior pastors experienced ministry leaders or professors from theological seminaries
- Objectivity While a strong positive recommendation is ideal ensure the referencer can offer balanced feedback Complete honesty even if it includes constructive criticism is more valuable than blind praise
- Relationship Cultivate strong trusting relationships with potential referencers Dont simply ask for a reference out of the blue regularly connect and update them on your ministry journey

III Preparing Your Referencers for Success Providing your referencers with the necessary information is crucial for them to craft compelling recommendations Consider these steps

- Provide a detailed resume/CV This allows them to refresh their memory on your accomplishments and highlight specific achievements
- Outline the position/opportunity Clearly explain the roles requirements responsibilities and desired qualifications This allows them to tailor their recommendation to the specific needs of the prospective employer
- Offer specific examples Share anecdotes illustrating your strengths and how youve demonstrated those qualities in past ministry experiences
- Provide contact information Offer the contact details of the organization or individual you are applying to including deadlines

Request a draft optional Depending on your relationship consider asking for a draft of the reference letter This allows you to ensure accuracy and address any potential concerns However respect their time and expertise and only offer this request if appropriate

IV Maintaining Ongoing Relationships The process of securing references shouldnt end with a single request Maintain regular communication with your

referencers This strengthens your relationship keeps them updated on your progress and allows for future requests Consider Regular checkins Send brief updates about your ministry work Gratitude Express sincere appreciation for their time support and willingness to serve as a reference Networking Continue building relationships with ministry leaders creating a strong network of potential referencers for future opportunities V Navigating Challenging Situations Sometimes you might encounter situations where a reference might not be as positive as hoped Handle these situations with grace and maturity Be proactive If you anticipate potential challenges be honest and transparent with the 3 referencer about your concerns Seek clarification If a reference is unclear or negative seek clarification to understand their perspective and address any misconceptions Focus on growth Use any constructive criticism as an opportunity for personal and professional growth VI A Forward Looking Conclusion Building strong ministry references is a longterm investment By carefully cultivating relationships strategically selecting referencers and providing them with the necessary support youll not only strengthen your application for current opportunities but also build a robust network for future ministry endeavors Remember your references arent just endorsements they are a testament to your character commitment and potential to serve effectively within the body of Christ VII Expert Level FAQs 1 What if a referencer is unavailable or unresponsive This is a common challenge Start by reaching out multiple times through various communication methods email phone If still unsuccessful explain the situation to the organization and consider identifying an alternative referencer who can speak to your skills and experience 2 How do I handle a negative reference You might not have control over the content of a reference but you can control your response Address any concerns raised proactively and directly with the hiring organization Explain the context offer counterevidence and emphasize your commitment to personal growth 3 How many references should I provide The ideal number varies depending on the context Typically three to five references are sufficient Ensure the references provide diverse perspectives showcasing different facets of your ministry experience 4 Can I use online testimonials as references While online testimonials can support your application they shouldnt replace traditional references from individuals who have directly worked with you Traditional references carry more weight due to their direct observation and personal vouching 5 How do I balance showcasing my achievements with remaining humble in my references Authenticity is key Highlight your accomplishments without boasting Allow your referencers to speak to your strengths and contributions and let your work and character speak for themselves Humility should shine through in the overall presentation and tone not by downplaying your significant achievements 4

this issue of the ministry of the word contains the first eight messages given during the fall 2016 term of the full time training in anaheim california the general subject of this series of messages is the failures in the churches the degradation of the church the overcomers in the church the recovery of the church and the stages of the church this issue comprises the first three components of this fivefold subject this general subject unveils the decline of the church and illuminates our need to return to the orthodoxy of the church the term orthodoxy refers to god s way for the church as ordained by him and revealed in his word the practice of the church that is according to god s original intention was present in the early years of the church before degradation set in we may say that orthodoxy is the equivalent of the word normal thus the orthodoxy of the church is the normal christian church life the overcomers are normal christians in a time of abnormality moreover the principle of returning to the orthodoxy is the same as that of recovery in order to be faithful to the lord and to his word we must forsake mere tradition and return to what god originally intended for the church concerning the actual practice of the church life three particular matters must become clear to us and real within us first we need to have a genuine vision of the church and see the church as the lord himself sees the church from the scriptures that have been opened and rightly expounded to us through the ministry may we have the veil lifted from our heart receive the shining of the divine life and have the sight under the anointing then we will begin to realize what the church is to christ and how he views the church in its actual condition in revelation 2 and 3 the lord himself addressed many matters in the church but before doing so he presented to john a vision of the church as golden lampstands in the eyes of the lord all seven churches including thyatira sardis and laodicea as actual local churches were seven golden lampstands this indicates that intrinsically these seven churches were the embodiment and expression of the triune god second we need christ s view and understanding concerning the degradation of the church the lord jesus is absolutely clear about the degradation in the churches nevertheless it is he who regards the churches intrinsically as golden lampstands although the churches in their history and actual practice may be degraded in various ways we need to see everything not from our natural perspective but as the lord sees third we need to know and carry out his way to care for the church in its condition we are able to do so because we are governed by the vision of the church and have the lord s view and understanding of the degradation in the church we need to know how to minister life how to conquer the satanic chaos and how to present the truth the co workers in particular need to learn of the lord how to represent him and how to carry out his administration to establish and maintain the order in the churches we need to be one with the lord to minister him according to the various situations message 1 identifies that the

weaknesses and failures in the churches are due to the principle of babylon which is hypocrisy to overcome this principle we must take christ as our burnt offering as the burnt offering christ is the one who is absolute for god and for his satisfaction when we take christ as our burnt offering and consecrate ourselves to in with by and through him as our burnt offering we become ashes the ashes of the burnt offering were handled by the priests in a very stately and dignified way by placing them on the east side of the altar the east side is the side toward the sunrise and is an allusion to resurrection by being brought into resurrection we are brought into the transformation of the triune god to become gold pearl and precious stones which are the building materials of the new jerusalem hence the ashes eventually become the new jerusalem this should be our daily experience messages 2 through 4 show that we need to consider the degradation of the church so that we may be inoculated against the decline this divine and mystical vaccine will prevent us from repeating the failures in the churches and from falling into degradation this inoculation will bring us back to the straight way of god s economy concerning the church we need to take the straight way to be one with the persecuted jesus by going outside the camp and bearing his reproach the straight way is for the believers to be brought into the church in the way of life and built up in this life into the body of christ to bear the testimony of jesus the lord s recovery is for the preparation of the bride and in order for the bride to be prepared the local churches must become in reality both the body of christ and the one new man the body is an organism through which the lord can move to carry out his administration and the one new man is a corporate person who will fulfill genesis 1 26 expressing god with his image and representing him with his dominion in god s wise organic salvation the body and the one new man become the bride messages 5 through 8 consider the overcomers in the church instead of expressing a hope that everyone in the church will suddenly become absolutely faithful to the lord the lord calls for overcomers the lord jesus himself is the first overcomer rev 3 21 5 5 and he will reproduce himself in those who have the heart to be produced as overcomers the reports and announcements section of this issue contains reports from the january and february 2017 gospel trips to south africa and europe there is also a list of upcoming conferences and trainings hosted by living stream ministry and a website link for information related to similar events in europe
