dr voelz brings new freshness into the study of biblical greek his book takes you through the basic grammar and vocabulary but mines the most important grammar gems for beginning students just starting to read the greek new testament this grammar provides other nuances that make it a superior effort for example it does provide new insights on the use of participles in greek giving new texture and color to the meaning of the text and a more faithful understanding of what the biblical authors intended the only difficulty with voelz grammar is that some of his most interesting points are put into the chapter endnotes amazon com

fundamental greek grammar 4th revised edition provides the basis for solid instruction in new testament greek vocabulary morphology and syntax it takes a fundamental approach moving from the known to the unknown from the easy to the more difficult dr voelz understands that learning a complex language is difficult and he seeks to explain things in detail every step of the way fundamental greek grammar 4th edition includes vocabulary paradigms principal parts exercises with answer key pertinent bible passages and more updated edition features english review for greek a refresher of english grammar basics

this book is a reference instrument for use by students and exegetes exploring the shades of meaning often hidden in the language of ancient greek texts first it lists the different possible meanings of each construction illustrated by examples from both classical and new testament texts second the book provides a similarly illustrated list of greek constructions for every grammatical meaning this section may be regarded as the book's unique contribution to greek linguistics it enables an exegete to compare the construction's in his text to other greek constructions within the same semantic field and to better demarcate the nuances and subtleties of his text series introductions theology einf hrungen theologie vol 4

this logical developmental presentation of the major aspects of modern greek grammar includes all the necessary tools for speech and comprehension designed for adults with limited learning time who wish to acquire the basics of everyday modern greek this grammar features numerous shortcuts and timesavers ideal as an introduction supplement or refresher

the first truly comprehensive grammar of the greek language to be produced concentrating on the real patterns of use in today's greek greek a comprehensive grammar of the modern language is a complete reference guide to modern greek grammar it is the first truly comprehensive grammar of the language to be produced concentrating on the real patterns of use in modern greek and will provide the standard reference work for years to come the grammar is an ideal reference source for the adult learner and user of greek it is suitable either for independent study or for use in schools colleges universities and adult classes of all types the volume contains a comprehensive description of greek grammar offering an analysis of the complexities of the language and providing full and clear explanations throughout the emphasis is on the greek spoken and written by native speakers today an extensive index glossary of linguistic terms and numbered paragraphs provide readers with easy access to the information they require features include detailed treatment of all grammatical structures up to date examples separate and detailed treatment of syntax particular attention to areas of confusion and difficulty

arnold brings to the biblical study of the end times his rationalistic and scientific approach while this approach enhances it in no way changes or attempts to correct biblical text or its meaning arnold defines the eschaton the end of all things in greek as the composite of signs of the end the lord's return the judgment and life eternal or damnation he believes the lord's use of the word generation

based on the original greek is an interval of time an age this age of believers jesus teaches will not pass away until all the signs of the end have taken place by the doctrine of predestination the end can not come until the last christian on earth is born he defines the last believers of this age as the omega generation as they are born their family line will cease and when the last christian of the omega generation is born all family lines on earth will end with these changes will come a dramatic decrease in global population as prophesied in scripture after reviewing what changes this will bring to the earth he discusses the signs of the times which the secular world takes as pointers to the possible end of the world he then takes us on a detailed description of the biblical signs these signs will be highly visible during the lives of the omega generation following the return of our lord dr arnold describes the judgment the new jerusalem and the inferno other very unique concepts introduced by arnold in the eschaton include a discussion of the cleansing of the cosmos by fire and the events that occur following our death all those who hold the bible to be truth will find this book to be attention grabbing exciting and a clear explanation and revelation of that truth

there are thousands of excellent resources in the field of new testament studies but which tools are best for sermon preparation topical study research or classroom study in best bible books the authors review and recommend hundreds of books saving pastors students and scholars time effort and money glynn and burer examine commentaries on every book of the new testament describing their approach format and usability they then rank them on a scale of good better and best other chapters survey special studies for each new testament book as well as books in related disciplines such as historical background language resources and hermeneutics also included are helpful chapters on building a must have personal library and identifying books that comprise the ultimate new testament commentary collection this is an indispensable resource for any serious student of the bible

john hayes and carl holladay have thoroughly revised and expanded this best selling textbook adding new chapters on emerging methods of interpretation and the use of computer technology for exegesis all bibliographies have been updated and scripture has been converted to the nrsv this new edition retains the features of the early editions a minimum of technical terms solid introductory guidelines in exegetical methods and a valuable presentation of exegetical theory and practice it is ideal for general introductory exegesis courses introductions to the old and new testaments and introduction to preaching as well as for pastors and lay leaders
