Plunkett's Health Care Industry Almanac is the only complete reference to the American health care industry and its leading corporations. Whatever your purpose for researching the health care field, you'll find this massive reference book to be a valuable guide. No other source provides this book's easy-to-understand comparisons of national health expenditures, emerging technologies, patient populations, hospitals, clinics, corporations, research, Medicare, Medicaid, managed care, and many other areas of vital importance. Included in the market research sections are dozens of statistical tables covering every aspect of the industry, from Medicare expenditures to hospital utilization, from insured and uninsured populations to revenues to health care expenditures as a percent of GDP. A special area covers vital statistics and health status of the U.S. population. The corporate analysis section features in-depth profiles of the 500 major for-profit firms, which we call the Health Care 500. Within the many industry sectors that make up the health care system, from the leading companies in pharmaceuticals to the major managed care companies, details for each corporation include executives by title, phone, fax, website, address, growth plans, divisions, subsidiaries, brand names, competitive advantage, and financial results. Purchasers of either the book or PDF version can receive a free copy of the company profiles database on CD-ROM, enabling keyword search and export of key information, addresses, phone numbers, and executive names with titles for every company profiled.

Provides detailed analysis and statistics of all facets of the real estate and construction industry, including architecture, engineering, property management, finance, operations, mortgages, REITs, brokerage, construction, and development. Includes profiles of nearly 400 firms.

Depending on whose research you review, between 25 and 75 percent of boomers are either supporting or may be supporting in the future. Both a parent and child, this book can help the reader prepare to understand and financially and emotionally cope with the issues that come with being a parent and the child of aging parents at the same time.

Known since 1971 as the Red Book, the Directory of Executive Recruiters has been called the Bible of the industry by CNBC and Sylvia Porter. It is the largest continuously updated recruiter database in the world. This jumbo hardcover edition is specially designed to help corporate buyers of search services make informed decisions on which recruiting firm would best suit their hiring needs. It is also useful to search providers for competitive intelligence, acquisitions, and partnerships. The directory lists over 8,000 offices of 5,700 search firms in the U.S., Canada, and Mexico, and contains detailed information on each firm: street addresses, phone numbers, fax numbers, e-mail, and web addresses, plus function and industry specialties. It is comprehensively indexed by function, industry specialty, and geographic location. The unique specialty index has 565 niche categories with the names and company affiliations of over 14,000 recruiters. In addition, the corporate edition reports firm revenues, number of recruiters, and year founded, and lists full contact information for international branch offices. It also contains

a key contact index introductory pages give expert advice to corporate hirers on choosing and using executive search firms the directory of executive recruiters is one of the most popular reference books in libraries nationwide lynne m oliver reference librarian morris county nj library
