since time immemorial women have been the most consistently and universally abused people group on planet earth as men in virtually every human culture have systematically unrelentingly and often violently dominated women unfortunately women of faith have also been virtually bound in chains of submission and gagged by demands for silence since the end of the apostolic era god and women brings serious biblical and historical scholarship to bear on the role of women in family society and church in an analysis of god's original intentions for women and for men at the moment when he created humanity whether you are a woman or a man this book and the other volumes in this series will literally set you free challenging you to think and to act on divine truths from the hebraic foundations of your faith you will clearly see god's original design and intent for women and you will start tearing down prison walls that have deprived half of god's children of the freedom to pursue his gifts and calling in the family in the society and especially in the community of faith
