anyone working in corrections has been trained to handle the basics of offender management this training often fails to teach how to deal with offenders mind games the authors offer the basics of offender con games and ways to beat them at their own game chapters include winning the game the psychology of inmate deception inmate manipulation based on a sense of entitlement inmate manipulation based on the power orientation the woman offender gender based games games women offenders play based on blaming or mollification staff moves in managing inmate deception and manipulation maintaining player readiness ten commandments for prison staff and putting it all together

corruption is a problem in prisons about which we hear very little except when there is an escape from custody or other scandal that makes the media the closed nature of correctional institutions has made the activities that go on within them less visible to the outside world while some persons might be inclined to dismiss correctional corruption as an issue this view ignores the scale of criminality and misconduct that can go on in prison and the impact it can have upon not just the good order of the prison or the rights of prisoners but on the prospects for successful reintegration of ex prisoners into society this book is the first to examine the phenomenon in any detail or to suggest what might be done to reduce its incidence and the harms that can arise from it andrew goldsmith mark halsey and andrew groves argue that it is not enough to tackle corruption alone rather there should be a broader attempt to promote what the authors call correctional integrity

corrections and the criminal justice system is designed to help students understand

corrections in relation to the entire criminal justice system this text begins with an overview of the field of criminal justice and covers the components of the criminal justice system that an offender must pass through prior to his her corrections experience police courts and sentencing the second part of the text shows students how corrections is interconnected and related to the other aspects of the criminal justice system

the routledge handbook of corrections in the united states brings together original contributions from leading scholars in criminology and criminal justice that provide an in depth state of the art look at the most important topics in corrections the book discusses the foundations of corrections in the united states philosophical issues that have guided historical movements in corrections different types of punishment and supervision trends in incarceration issues affecting race ethnicity and special populations in corrections and a variety of other emerging issues this book scrutinizes innovative community programs as well as more traditional sanctions and exposes the key issues and debates surrounding the correctional process in the united states among other important topics selections address the inherent discrimination within the system special issues surrounding certain populations and the utilization of the death penalty as the ultimate punishment this book serves as an essential reference for academicians and practitioners working in corrections and related agencies as well as for students taking courses in criminal justice criminology and related subjects

contemporary corrections a critical thinking approach introduces readers to the essential elements of the us corrections system without drowning students in a sea of nonessential information unbiased and accessible the text includes coverage of the history of corrections alternatives to incarceration probation parole race ethnicity gender issues in corrections re entry into the community and more the authors unparalleled practical

approach reinforced by contemporary examples illuminates the role corrections plays in our society the authors have reinvigorated earlier work with additional content on international comparative data to increase our understanding of how prison officials in other nations have developed different types of responses to the problems that challenge every us correctional administrator a new chapter on correctional personnel and an integration of race and ethnicity issues throughout the book unrivaled in scope this book offers undergraduates a concise but comprehensive introduction to corrections with textual materials and assignments designed to encourage students critical thinking skills

federal state county and municipal police forces all have their own codes of conduct yet the ethics of being a police officer remain perplexing and are often difficult to apply in dynamic situations the police misconduct statistics are staggering and indicate that excessive use of force comprises almost a quarter of misconduct cases with sexual harassment fraud theft and false arrest being the next most prevalent factors the ethical issues and dilemmas in criminal justice also reach deep into the legal professions the structure and administration of justice in society and the personal characteristics of those in the criminal justice professions the encyclopedia of criminal justice ethics includes a to z entries by experts in the field that explore the scope of ethical decision making and behaviors within the spheres of criminal justice systems including policing corrections courts forensic science and policy analysis and research this two volume set is available in both print and electronic formats features entries are authored and signed by experts in the field and conclude with references and further readings as well as cross references to related entries that guide readers to the next steps in their research journeys a reader s guide groups related entries by broad topic areas and themes making it easy for readers to quickly identify related entries a chronology highlights the development of the field and

places material into historical context a glossary defines key terms from the fields of law and ethics and a resource guide provides lists of classic books academic journals websites and associations focused on criminal justice ethics reports and statistics from such sources as the fbi the united nations and the international criminal court are included in an appendix in the electronic version the reader s guide index and cross references combine to provide effective search and browse capabilities the encyclopedia of criminal justice ethics provides a general non technical yet comprehensive resource for students who wish to understand the complexities of criminal justice ethics

long held myths defining the sources of and cures for crime are shattered in this ground breaking book and a chilling profile of today s criminal emerges

this book is part of the criminal justice and psychology series transforming corrections offers an alternative perspective not easily found in the existing literature concerning the way in which individuals in the criminal justice system are understood and treated by those responsible for their care intended as a supplementary text this collection will help to enhance the current conversation that is ongoing in the field of rehabilitative corrections the wide reaching focus of this collection is intended to provide a variety of alternative perspectives related to issues of theory correctional practice and offender treatment as such transforming corrections could be adopted in introductory courses in criminology and criminal justice as well as graduate courses more specifically focused on issues related to offender treatment and correctional administration a book subtitled humanistic approaches to corrections and offender treatment manifestly does not mirror prevailing practices in corrections nor reflect the dominant ethos of the times such a book instead gives some of us heady sustenance and support in the goals that we secretly aspire to it gives us a sense of what might be achieved in the distant future and what might already have been

accomplished the book is an invitation for us to hang in there and persevere if you are not quite burned out have not given up and are still fighting the odds the message of these chapters is you are not nearly as alone as you sometimes feel out there on your limb the reassuring fact is that there are enclaves of humanistic activity in correctional settings and as these experiments demonstrate their effectiveness they are bound to ensure the long term survival of the approach hans toch university at albany suny from the preface it is regrettable that a collection such as this is necessary in order to encourage those who wish to treat prisoners as human beings for this reason alone the book deserves a place in every library summing up recommended upper division undergraduates and above choice magazine

approximately one in five probationers in the united states is female this population has needs and requirements that differ from their male counterparts the text discusses the different treatment that women require to make probation work successfully for them

the use of group counselling is well established in a number of correctional programs pre release groups drug groups anger management groups etc this book discusses the skills and techniques needed to lead these groups successfully

this text covers corrections explicitly it presents a history of prisons the history of corrections programs and theories of punishment and corrections it includes sections on prisoner rights probation juvenile corrections and international corrections systems
