a crisis of faith may feel like the death of our testimony but what if it is not the death of our testimony but a rebirth of it after a lifetime of being a devoted latter day saint rico maranto unexpectedly suffered a severe and devastating crisis of faith that plunged him into what he now calls the dark night of the soul overcome with doubt and uncertainty he began to feel abandoned by god and all that he has taught but through the years of his dark night rico transitioned from nearly losing his faith to rediscovering rebirth now rico shares his story and explains how his crisis transformed him and entirely changed his perspective on faith in this inspiring book rico reframes our perception of doubt and alleviates the shame and guilt that many feel when experiencing similar faith crises with his loving understanding and knowledge gained as someone who has been through the storm and come out stronger than ever you will discover the five stages of faith as a template for spiritual development strategies and toolsets for enduring a crisis of faith how to help others who are struggling with their own doubts if you or a loved one are struggling with your faith know that the dark night of the soul is not reason to despair it is a divinely designed spiritual chrysalis intended to transform us into all the lord needs us to become the best version of ourselves

dare to believe laughing at the impossible was a way of life for smith wigglesworth he trusted wholeheartedly in the words of jesus only believe mark 5 36 god used his simple faith to restore sight to the blind health to the sick and even life to the dead this same kind of miracle working faith can be yours lacking vision and purpose discover your god given destiny crippled by insecurity experience emotional wholeness feeling powerless god wants to use you in amazing ways the sustaining effect of the smallest drop of faith will create continues ripples of power as you believe god your faith will explode

your miracle is waiting for you

the contributions in this volume focus on the ways in which silence and music relate contemplate each other and provide new avenues for addressing and gaining understanding of various realms of human endeavour the book maps out this little explored aspect of the sonic arena with the intention of defining the breadth of scope and to introduce interdisciplinary paths of exploration as a way forward for future discourse topics addressed include the idea of silent music in the work of english philosopher peter sterry and spanish jesuit st john of the cross the apparently paradoxical contemplation of silence through the medium of music by messiaen and the relationship between silence and faith the aesthetics of susan sontag applied to cage s idea of silence silence as a different means of understanding musical texture ways of thinking about silences in music produced during therapy sessions as a form of communication music and silence in film including the idea that music can function as silence and the function of silence in early chant perhaps the most all pervasive theme of the book is that of silence and nothingness music and spirituality a theme that has appeared in writings on john cage but not in a broader sense in scholarly writing the book reveals that unexpected concepts and ways of thinking emerge from looking at sound in relation to its antithesis encompassing not just western art traditions but the relationship between music silence the human psyche and sociological trends ultimately providing deeper understanding of the elemental places both music and silence hold within world philosophies and fundamental states of being silence music silent music will appeal to those working in the fields of musicology psychology of religion gender studies aesthetics and philosophy

a popular american buddhist teacher explores the creative relationship between faith and doubt knowing and not knowing and shows how an awakened life results from living from the place in between faith is a thorny subject these days its negative expressions cause many to dismiss it out of hand but elizabeth mattis namgyel urges us to reconsider for faith is really nothing but our natural proclivity to find certainty in a world where certainty is hard to come by and if we look carefully we ll discover that the faith impulse isn t separate from reason at all faith and logic in fact work together in a playful and dynamic relationship that reveals the profoundest kind of truth a truth beyond the limits of is and is not using the traditional buddhist teachings on dependent arising elizabeth leads us on an experiential journey to discover the essential interdependence of everything and through that thrilling discovery to open ourselves to the whole wonderful range of human experience

what does it mean to believe in god this question still provokes a recalcitrant world in spite of the apparent disinterest of our age the religious question continues to task and to vex sometimes quietly sometimes dramatically when religious divisions occasion civil strife believers are faced with an even more radical inquiry wherein lies the real truth about christian doctrine and its place in our lives can we appeal to any authority for belief how do we escape the suspicions of a skeptical age in this book romanus cessario explores these questions and suggests responses taken from the history of theology he offers a readable account of the accumulated wisdom of the christian tradition concerning the faith question citing as major authorities the saints those

who have realized the will of god throughout the ages faith supplies not only the assurance but also the substance of things hoped for the experience of israel teaches that god has foreseen something better for us this something better resides in the word of god that takes flesh in the womb of the virgin mary because it keeps being born again in the heart of every believer as st thomas aquinas reminds us it leads us to the blessedness of eternal life since the end of the second vatican council in 1965 authors have dealt mainly with the existential dimensions of christian life this volume the fruit of more than two decades of contemplation on the virtues of christian life complements these as well as historical studies about faith it presents a coherent meditation on faith s principal concerns its acts of belief and confession and its character as a virtue in the christian life father cessario explains how the mysteries of faith what the christian believer professes each sunday in the creed transform our lives and make us living images of the triune god consequently this book will meet a wide range of needs by answering the questions of the informed reader animating study groups and parish seminars and stimulating the ordinary believer to appropriate the depth of the riches and the wisdom and knowledge of god about the author romanus cessario o p is professor of systematic theology at st john s seminary in brighton massachusetts before assuming this post in the fall of 1995 father cessario taught at the dominican house of studies in washington d c he served there as academic dean from 1979 to 1987 he is the author of numerous works including the moral virtues and theological ethics le vertu and perpetual angelus as the saints pray the rosary and presently serves on the editorial boards of the thomist the french journal pierre d angle and the national catholic register
