although a small country scotland s geology is complex internationally renowned and offers an accessible outdoor research laboratory and training ground for earth science the onshore and offshore geology together encompass examples of all earth s geological periods and preserve many classic examples of sedimentary basins and orogenic belts palaeontological findings have provided key evidence for the evolution of life with a wide spectrum of contributors full colour figures and photographs and for each chapter a topic box highlighting key research developments and challenges this 5th edition of the geology of scotland represents a major update and expansion from the 4th edition a revised introduction summarizes the geological evolution of scotland the nature of the crust and the societal relevance of geology to climate change and sustainability the final three chapters provide a modern view on energy water and minerals environmental concerns and geoconservation the intervening chapters cover the geological periods including much new geochronological data and exciting new palaeontological discoveries

for centuries the english lake district has been renowned as an important cultural sacred and literary landscape it is therefore surprising that there has so far been no in depth critical examination of the lake district from a tourism and heritage perspective bringing together leading writers from a wide range of disciplines this book explores the tourism history and heritage of the lake district and its construction as a cultural landscape from the mid eighteenth century to the present day it critically analyses the relationships between history heritage landscape culture and policy that underlie the activities of the national park cumbria tourism and the proposals to recognise the lake district as a unesco world heritage site it examines all aspects of the lake district s

history and identity brings the story up to date and looks at current issues in conservation policy and tourism marketing in doing so it not only provides a unique and valuable analysis of this region but offers insights into the history of cultural and heritage tourism in Britain and beyond

bestselling author Christopher Winn takes us on a fascinating journey through the Lake District that majestic landscape in Cumbria beloved of poets and tourists hill walkers seekers of scenic beauty and those who mess about in boats learn about the hidden places the secrets and legends wild characters and human stories that haunt England's most mountainous region from England's wettest place to the country's highest point from the birthplace of Postman Pat to the resting place of poet laureates

The Mysterious Comet is Comyns Beaumont's investigation into the bigger aspects of what we call weather he joins up the normally fragmented disciplines of history astronomy geology geography and meteorology to give a complete picture of the systems within systems through which our planet operates in the wider solar system and indeed the cosmos showing that the effects of space weather are very real and that we need to think beyond the clouds not only to understand everyday conditions but also to predict major catastrophes Comyns Beaumont clearly illustrates the seemingly overlooked connection between volcanoes and the passage or impact of heavenly bodies giving rise to various atmospheric phenomena eruptions earthquakes tidal waves and floods showing that the law of attraction is indeed in operation on all levels with examples and illustrations

the rough guide to the lake district is the best all purpose guide to the english lake district beautifully illustrated with colour photos and full colour maps comprehensive lively reviews outline the finest places to stay and eat for every budget all fully revised for this seventh edition by our lakes expert whether you re looking for a walker s hostel or boutique hotel simple café or swanky gastropub farmhouse b b or country house hotel the rough guide to the lake district has the lowdown on all the best deals the guide includes detailed information on the best way to get around by public transport plus special features on the great outdoors focussing on local walks classic hikes mountain climbs lake cruises and family adventures the things not to miss section pinpoints some of the absolute must sees while author picks throughout the rough guide to the lake district highlight personal favourites and special places that are less well known whether you re on a walking holiday or family break you can discover all the facts you need from full opening times and admission prices to festival dates and walking routes plus history culture nature and wildlife of the english lakes to help you make the most of your time in the lake district

nowhere in Britain can compare to the Lake District it is home to some of the nation's most breathtaking natural landscapes as well as its most beloved national park

landscape photographs accompanied by the words of famous poets

Comyns Beaumont takes his evidence not only from actual meteorological phenomena otherwise unexplained but also from Plato Aristotle Homer Josephus Caesar and the Bible among others he strips away the false divisions between academic disciplines brings ancient astronomical knowledge back into play and mathematically completely overturns the long accepted version of the history of our planet and the systems within systems through which it operates in the wider cosmos describing clearly how the regard for the operation of the male and female creative principles has been criminally misrepresented as phallic worship watch the skies

For centuries the English Lake District has been renowned as an important cultural sacred and literary landscape it is therefore surprising that there has so far been no in depth critical examination of the Lake District from a tourism and heritage perspective bringing together leading writers from a wide range of disciplines this book explores the tourism history and heritage of the Lake District and its construction as a cultural landscape from the mid eighteenth century to the present day it critically analyses the relationships between history heritage landscape culture and policy that underlie the activities of the National Park Cumbria tourism and the proposals to recognise the Lake District as a UNESCO World Heritage site it examines all aspects of the Lake District's history and identity brings the story up to date and looks at current issues in conservation policy and tourism marketing in doing so it not only provides a unique and valuable analysis of this region but offers insights into the history of cultural and heritage tourism in Britain and beyond

vols for 19 include a separate section called gm news and reviews

as christmas draws nearer simmy henderson is invited to a party in glenridding at the heart of the lake district however the festivities are overshadowed by two alarming discoveries a man s body in the beck above the village and a vulnerable newborn baby apparently abandoned by its mother caught in the crosscurrents and tensions of the inhabitants of glenridding simmy is drawn into the investigation the season of goodwill has been eclipsed by far darker emotions and a murderer must be found
