this book is dedicated to the range builders men who are toiling and struggling with almost superhuman energy to do something for our nation s need men who have been far sighted enough to see that while we are almost if not quite the most arrogant nation in the world we are also the most helpless if war should come men who believe in peace who desire peace and who are trying to insure our country against war men who know that rifle practice makes for clean sportsmanship healthfulness and temperance men whom our country will some day rise up and call blessed our people as a nation seem to be beginning to realize the need of making some progress in the art of war the word some must be printed in very small letters but it is a million times larger than a negative and therefore there is hope that we will finally realize what peace insurance is worth and appropriate sufficient money to obtain it practice and rehearsals are needful for any act in life which we wish to perform well the wedding the prize fight the oration all sports all arts all professions and yet war terrible fearful awful war war which for ages has been a science and never so much so as now is to be waged according to the ideas of many of our statesmen by assembling an unorganized mob of impractical unrehearsed men putting rifles in its hands and sending it out to annihilate an enemy with no more chance than a snow ball would have in the place which is paved with good intentions our service rifle is excellent our ammunition the best in the world americans can shoot after systematic training for two or three years

100 of this book s proceeds will be donated to two military charities the special operation warrior foundation and the sua sponte foundation the special forces sniper course formerly the special operations target interdiction course sotc is the premier sniper training course in the world top members of all branches of special operations are able to attend this

prestigious course on a limited selection basis this book is the official manual for the course it is not the best resource for how to be a sniper or how to shoot long range instead it is a reference manual if you re looking for long range shooting instruction check out the long range shooting handbook this is a large desk top bookshelf 8 5x11 sized copy unlike other versions of this book for sale check their feedback this book is properly formatted with text large enough to actually read
