bouwen aan een nieuwe thuis gaat op zoek naar de cultivering van de huiselijkheid tijdens het interbellum het boek leidt de lezer rond in het huis en toont hoe woonpraktijken evolueerden na de eerste wereldoorlog wonen blijkt daarbij geen louter privaat gegeven dat alleen plaatsvond achter de gesloten deuren van het huis tijdens de jaren twintig en dertig van de vorige eeuw groeide de wooncultuur van verschillende sociale groepen uit tot een belangrijk maatschappelijk thema dat zowel architecten het sociale middenveld als politici aanging ondertussen boekte de huishoudtechnologie vooruitgang en verbeterde de technologie van het bouwen waardoor het wonen ook vanuit

commercieel oogpunt interessant werd

lessen in goed wonen werpt een licht op een bijzondere vorm van woonadvies eigen aan de naoorlogse periode in België het boek introduceert de lezer in een breed debat over zogenaamd goed of beter wonen een hele reeks geëngageerde gesprekspartners waren bij dit debat betrokken overheidsinstellingen architecten designers beroepsorganisaties socioculturele verenigingen producenten en bouwmaatschappijen talrijke tentoonstellingen boeken artikels lezingen en lessenreeksen waren bedoeld om de bezoeker lezer of toeschouwer te informeren en op te voeden inzake wooncultuur

an illuminating look at the world of cleanfluencers that asks why the burden of housework still falls on women housework is good for you housework sparks joy housework is beautiful housework is glamorous housework is key to a happy family housework shows that you care housework is women's work social media is flooded with images of the perfect housewife tiktok and instagram cleanfluencers produce endless photos and videos of women cleaning tidying and putting things right figures such as marie kondo and mrs hinch have placed housework with its promise of a life of love and contentment at the centre of self care and positive thinking and yet housework remains one of the world's most unequal institutions women especially poorer women and women of colour do most low paid and unpaid domestic labour in the return of the housewife emma casey asks why these inequalities matter and why they persist after a century of dramatic advances in women's rights she offers a powerful call to challenge the prevailing myths around housework and the naturally competent woman homemaker

throughout history effort enterprise and energy have been expended by women in maintaining the household cooking cleaning lighting heating and laundry this highly illustrated and delightfully written account looks at the changing role of the housewife over three hundred years the period covered was one of immense social change new social and family relationships scientific advances and economic developments all had an effect on the housewife some dramatic others more gradual much of what we now take for granted instant hot water heat and light at the flick of a switch fresh

food all year round would have been inconceivable to the many household managers represented in this book with its use of primary material and rare feel for the social history of domestic life this book will be an entertaining and informative guide to the many changes which have not only made life easier for the housewife but have altered our perceptions of the role itself

although the figure of the desperate housewife is familiar to us haggett suggests that many women in the 1950s and 60s led satisfying lives and that gender roles while very different were often seen as equal
