in this autobiographical account of his life as a prison governor and administrator tom murtagh deals with life in charge of the maze prison northern ireland when he narrowly avoided being killed by a terrorist bomb and his move to england this is when he was faced with a remarkable series of events at blantyre house where a modern liberal ground breaking and in many respects successful regime was beginning to attract the attention of reformers academics and others but that regime also masked more sinister developments events that should ultimately have received serious attention from a house of commons select committee set up to look into the blantyre house affair only now and after much reflection does tom murtagh feel able to tell publicly his side of the affair of how the committee chose to concentrate on selective and misleading information despite all the accolades for blantyre house behind the scenes and in reality the regime was being taken advantage of by a number of very serious offenders who had managed to get themselves transferred there so that the establishment was at risk of being overtaken by organized crime and corruption leading to covert police and other criminal investigations the book tells how the author acted to preempt this only to be vilified by hm inspectorate of prisons some penal reform groups and ultimately the committee the blantyre house affair is a telling example of how people can sometimes be swept along by events that may cause them to ignore those things that are counter or inconvenient to their own aims or interpretation

surfing in ireland was once considered little more than a fringe and slightly lunatic pursuit the treacherous coastline and ice waters of the atlantic did not sit comfortably with the stereotype of surfing as the favoured pastime of the bronzed and privileged but with the discovery in the past few years of the gargantuan aileen s wave at the cliffs of moher and other heavy waves the irish coast has become one of the worst kept secrets in world surfing in cliffs of insanity the irish times sportswriter keith duggan tells the story of a dedicated group of surfers in county clare whose lives revolve around the pursuit of ireland s wildest waves the book traces the evolution of fergal smith the young mayo man whose intuition for big waves has earned him a serious reputation and explores the world of mickey smith the roving cornish man who discovered aileen s and whose breathtaking surf photography has caught the irish landscape in an entirely new and original light bitter cold days broken bones busted boards scars near drownings and countless hours in the freezing water trying to read the ocean is the price they pay for those few transcendent seconds when they master a wave cliffs of insanity is about the importance of pursuing what matters in life but it is also about community and friendship and the passionate pursuit of a way of life that flies in the face of everything championed in ireland over the last decade
