a weekly news summary of the major daily newspapers in the pretoria johannesburg metropolitan area

this first research project deals with the human genome project the genetic sequencing exercise of humanity

this book is essential for anyone interested in knowing how science works nationally and internationally in the contemporary world it offers a comprehensive analysis of scientific collaboration and its relation to development and the productivity of scientists with specific reference to south africa in both the past and the present

derived from the renowned multi volume international encyclopaedia of laws this practical analysis of competition law and its interpretation in the south africa covers every aspect of the subject the various

forms of restrictive agreements and abuse of dominance prohibited by law and the rules on merger control tests of illegality filing obligations administrative investigation and enforcement procedures civil remedies and criminal penalties and raising challenges to administrative decisions lawyers who handle transnational commercial transactions will appreciate the explanation of fundamental differences in procedure from one legal system to another as well as the international aspects of competition law throughout the book the treatment emphasizes enforcement with relevant cases analysed where appropriate an informative introductory chapter provides detailed information on the economic legal and historical background including national and international sources scope of application an overview of substantive provisions and main notions and a comprehensive description of the enforcement system including private enforcement the book proceeds to a detailed analysis of substantive prohibitions including cartels and other horizontal agreements vertical restraints the various types of abusive conduct by the dominant firms and the appraisal of concentrations and then goes on to the administrative enforcement of competition law with a focus on the antitrust authorities powers of investigation and the right of defence of suspected companies this part also covers voluntary merger notifications and clearance decisions as well as a description of the judicial review of administrative decisions its succinct yet scholarly nature as well as the practical quality of the information it provides make this book a valuable time saving tool for business and legal professionals alike lawyers representing parties with interests in the south africa will welcome this very useful guide and academics and researchers will appreciate its value in the study of international and comparative competition law

analyse van de hetze tegen het progressieve christelijke instituut gevoerd door het zuid afrikaanse apartheidsregime

this study explores and critiques law and law making in the nascent constitutional democracy in the new south africa with a focus on the complex roles of the executive parliament political parties the media and civil society the capacity and potential in the judiciary and the legal profession in promoting and protecting values and rights of equality and non discrimination is examined substantive equality and non discrimination law in theory and in practice is considered critically from a broad historical and social context that highlights areas of race gender disability harassment and hate speech socio economic rights and legal services international human rights law and comparative law aspects are skillfully interwoven in this pioneering scholarly work

for centuries the story of south africa could not be told without reference to race along with its two cousins of tribe and class the colonial history of our nation followed in 1948 by apartheid as a system of ordering society ensured that racism is a foundational fault line in the nation to use biblical language racism became our national idolatry much pain and suffering went into the struggle to dismantle race as a basis for ordering our national life the father of the south african nation nelson mandela is a symbol of how much sacrifice south africans had to make to end racism in focussing the search light of scripture on the foundational sin of our nation roger deploys one of the most powerful weapons available to the christian

world to a rather stubborn demon in our national life there are no slogans philosophical arguments or worn out rhetoric in the book for that one must look elsewhere this is rather a book about ordinary folk wrestling before a holy god with the sin of their nation and putting their lives on the line in this way they have become witnesses not in words only but in their daily lives of the efficacy of the christian faith to save and redeem us from the tragedy of racism

report on employment and working conditions of africans at the palabora mining company and rio tinto zinc corporation south africa r contains general information on the south african economy with special reference to foreign investment discusses management attitudes and criticism levelled at south africa r for its racial policies covers labour relations housing training etc and concludes with a comparative view of the company s performance and an analysis of the role of multinational enterprises in south africa r

in south africa the struggle for freedom was won largely through non violent means 95 of the struggle was non violent the non violent foundations laid in the preceding years are i believe what made our peaceful transition to democracy possible in 1994 rommel roberts words express his conviction which was underlying all his efforts as an activist opposing the apartheid regime in south africa in his book seeds of peace rommel roberts wants to focus on ordinary people who with their courage and commitment have achieved a change in south african conditions but have never been recognised and acknowledged in all his stories of brave women and men and in all forms of protest and human rights activities in which rommel roberts played a key role this incredible spirit of non violence was prevalent and finally successful
