the israeli peace movement has been in decline since the 2000s in particular the liberal zionist groups who call for peace for the sake of the security and continuity of israel have become paralysed and almost voiceless since the second intifada however despite the stagnation around the israeli palestinian peace process this book argues that other important groups have emerged that present new ways to challenge the status quo these are radical groups that act in solidarity with the palestinians and human rights organisations and whose aim is to reveal the realities of the occupation and hold the government to account leonie fleishmann argues that these groups have been and remain the agenda setters pushing the

more moderate groups to mobilise more quickly and encouraging them to take up more confrontational ideas using social movements theory and based on 50 interviews and participant observation this book sheds light on contemporary israeli peace activism

studies of hong kong society have long focused one sidedly upon economic prosperity and political stability contributors to this volume redress this imbalance by taking a critical view of hong kong s political development from the perspectives of social conflict and collective action instead of looking at hong kong from the top this volume documents the active role played by local actors from below political groups student activists trade unions women groups environmentalists and community organizers and their impact on social and political development in hong kong society in the context of political transition and democratization economic restructuring and an emergent local identity
