former gay activist paves the way to peaceful conversation homosexuality and gay marriage stand among perhaps the greatest defining cultural battles of our age there s no escaping the inevitable conversations so how does a christian respond with love and biblical truth without adding fuel to the fire drawing on nearly thirty years of counseling people struggling with homosexuality former gay activist joe dallas takes readers through virtually every argument they are likely to hear in favor of normalizing homosexuality he helps readers understand the views of lgbt people they may know and respond with clarity confidence and compassion he shows the most effective ways to engage the subject on social media and in everyday encounters with guidelines for talking points dialogue approach and tone and even provides sample dialogue anyone who has been searching for ways to have productive loving conversations surrounding this critical topic will find this incredible resource a must have at one time or another every twenty first century christian is likely to be confronted about his or her views on homosexuality but how can we approach this challenging issue in a way that faithfully reflects jesus s heart and mind joe dallas answers that question in this clear and compelling guide for engaging others with both gentleness and biblical truth jim daly president focus on the family i ve often said no one understands the subject of same sex sexuality better than my friend joe dallas this book his best yet only confirms my conviction i m not speaking merely of joe s formidable knowledge of truth but also the wisdom of its application through crystal clear and concise communication in the wake of the june 2015 us supreme court s redefinition of marriage speaking of homosexuality will equip you to engage a topic that is foundational to human civilization hank hanegraaff president the christian research institute host of the bible answer man broadcast speaking of

homosexuality is one of the most clear and informative books on the subject dallas responds to the most common revisionist arguments with clarity but also genuine kindness if you want one book to offer biblical and historical truth about homosexuality but also how to lovingly put that truth into action then you won't find a better book sean mcdowell phd professor of christian apologetics biola university author same sex marriage and apologetics for a new generation in answer to the urgency of our world's current situation joe dallas has now crafted a resourceful tool filled with biblical truth and insightful strategies speaking of homosexuality is essential for every person in need of answers for themselves a family member or a friend struggling with same sex attraction joni lamb cofounder daystar television network there is no question that one of the most difficult issues facing the church today is the subject of homosexuality but god didn't leave us in the dark on the topic of human sexuality he gave us clear directives for this part of our lives so that we might experience the abundant life he promises but speaking those guidelines to a confused church and a hardening culture isn't easy no one does it better than joe dallas like no other voice i hear joe both lives and ministers with that continual balance of truth and love on this most contentious topic in a day where christians are growing more silent we need a book like this to teach us how to winsomely engage while never retreating from god's protective truth this is a must read for the church today janet parshall nationally syndicated talk show host

this book references correlations parities differences and possible solutions of some of life's new and emerging challenges political connotations are just a metaphor and auspices of destined profound moral indignations realizing in this life no one but no one has all the definitive answers to any or all real world solutions except for personal and collective opinions that we experience every day this writer being a pragmatist innovator scientist and commentator conveys researched concepts of opinions of personal collective edifications coupled with amusing personal and informative skits

to help readers gain a better understanding of conflicts over the proper role of religion in american public schools this book focuses on the seven major types of conflicts that have become particularly confrontational thomas does not take sides rather he lays out the arguments their historical and cultural contexts and the groups that debate them and their goals anyone wishing to

gain a better understanding of the controversies surrounding religion in american schools will find here not just a review of the issues but a deeper consideration of the causes consequences and future of the debates conflicts over the proper role of religion in schools and particularly in public schools supported by tax monies are frequently featured in news reports for example in the united states there currently are conflicts over the teaching of evolution inserting the word god in the pledge of allegiance conducting school holiday celebrations posting the biblical ten commandments in schools and praying at school functions people who are interested in such controversies often or perhaps usually fail to understand the historical backgrounds to the conflicts and therefore do not recognize the very complex factors that affect why the controversies become so heated to help readers gain a better understanding of such matters this book focuses on the seven major types of conflicts that have become particularly confrontational during the first decade of the twenty first century the cases on which the chapters focus concern issues that currently are being hotly debated in america controversies are described in relation to their historical origins and the author shows how the history affects current understanding of the issues thomas does not take sides in the arguments rather he lays out the arguments their historical and cultural contexts and the groups that debate them and their goals anyone wishing to gain a better understanding of the controversies surrounding religion in american schools will be happy to find here not just a review of the issues but a deeper consideration of the causes consequences and future of the debates and the role of religion in our public schools

a forward truth real truth is never offensive except for the blinders of personal perspectives of latent benign ambiguities of realities and historical perceptions without positive cognitive change something sleeps inside us all and seldom awakens this sleeper began to awaken in the mid 1950s and has stayed awake ever since as many and all have eyes but cannot fully or truly see as an eye for an eye will always leave you blind
