Robert Hobson's Chinese Pottery and Porcelain Vol. 1: Pottery and Early Wares serves as an essential resource for enthusiasts and scholars alike offering a profound exploration of Chinese pottery dating from its inception to the early Ming dynasty. This meticulously researched volume is rich in detail, employing a scholarly yet accessible literary style that combines rigorous historical analysis with vivid descriptive passages. Hobson's exploration contextualizes these artifacts within broader cultural and artistic trends, highlighting their significance in the development of Chinese art and society while also drawing comparisons to contemporary global ceramics. Hobson, an esteemed authority in the field of Asian art history, was deeply influenced by his extensive studies in various forms of Chinese aesthetics, his firsthand experiences in museums and collections, and a profound appreciation for the craftsmanship and historical narratives embedded within these ceramics. This passion culminated in the creation of this work, which reflects an academic journey committed to understanding and interpreting the rich legacy of Chinese pottery. This book is highly recommended for collectors, historians, and art enthusiasts seeking a comprehensive understanding of early Chinese ceramics. Hobson's expertise provides readers with an invaluable window into the past, illuminating not only the beauty of the wares but also the cultural significance that has shaped Chinese pottery through the ages. In this enriched edition, we have carefully created added value for your reading experience: a succinct introduction situates the work's timeless appeal and themes; the synopsis outlines the central plot, highlighting key developments without spoiling critical twists; a detailed historical context immerses you in the era's events and influences that shaped the writing; a thorough analysis dissects symbols, motifs, and character arcs to unearth underlying meanings; reflection questions prompt you to engage personally with the work's messages, connecting them to modern life; hand-picked memorable quotes shine a spotlight on moments of literary brilliance; interactive footnotes clarify unusual references, historical allusions, and archaic phrases for an effortless, more informed read.

The Grove Encyclopedia of Islamic Art and Architecture deals with all aspects of Islamic art and architecture, ranging from the Middle East to Central Asia to Southeast Asia and Africa. The volumes cover all subject areas in Islamic art, including artists, rulers, writers, architecture, ceramics, sculpture, metalwork, painting, calligraphy, textiles, and more. The Grove Encyclopedia of Islamic Art and Architecture provides unparalleled scope and depth on this rapidly growing area of interest. It offers fully updated articles and bibliography, as well as more than 500 plans, maps, diagrams, illustrations, and colour plates, similar in scope and design to The Grove Encyclopedia of Decorative Arts. This three-volume reference work contains articles of various lengths in alphabetical order. The shorter, more factual articles, none shorter than 50 words, are combined with larger, multi-section articles tracing the development of the art forms in various geographical locations.
