tripp and bies educate employees and managers about the right and wrong ways to deal with workplace conflict specifically revenge the authors have amassed dozens of lively stories insights and counter intuitive truths to bring to the book not only will managers and employees find this information useful and entertaining but most readers will find applications in their home lives as well as in their work lives the core

argument is that revenge is about justice avenging employees are not unprofessional out of control employees rather they are victims of offenses who feel compelled to seek justice on their own the authors address specific questions such as what kinds of offenses result in revenge why do some victims respond more aggressively to harm than others what role does the organization play in how victims respond to offenses what s the best advice for managers who wish to prevent their employees from seeking revenge most employees experience the desire for revenge and are ready to settle their own scores at work when management won t enforce justice this book offers a model that sequences avengers thoughts and behaviors from the beginning of the conflict to its end the model is grounded in scientific research and organizes disparate findings into a whole

proven techniques for dealing with workplace issues successfully do you dread going to work dealing with pestering coworkers unmanageable managers angry clients can take its toll on your job performance and in these difficult economic times no one can afford to lose their jobs in surviving the toxic workplace syndicated author and psychotherapist linnda durre teaches you how to pinpoint and treat these office maladies with effective communication and conflict negotiation techniques that are sure to bring you peace of mind and peace at work surviving the toxic workplace shows you why these office conflicts erupt how to identify and treat the 12 most common types of toxic co workers situations and environments the seven components of effective communication techniques you can use in various situations how to deal with different conflict styles don t let office conflicts drain you of energy or interfere with your job performance treat the malady before it gets out of hand with surviving the toxic workplace

these two volumes form the 23rd part in a series of monographs whose main topic of concern is that of organizational behaviour and industrial relations this part deals with dysfunctional behaviour in organizations

this work aims to act as a central reference point for the application of organizational justice helping human resource managers relate the importance of organizational justice within the workplace

comprises a collection of papers on violence in the american workplace examines the scope of the problem and risk factors describes strategies for making the workplace more secure and assessing companies legal rights and responsibilities includes a statistical analysis of workplace violence from 1980 to 1994

this handbook focuses on core micro organizational behaviour issues providing students and scholars with an insightful and wide reaching survey of the state of the field

in the course of his study of vengeance as a moral concept french exposes important distinctions between types of moral theories karmic and non karmic and between people who are morally handicapped and those who are morally challenged he examines concepts relevant to vengeance such as honor moral authority and evil and issues such as the rationality of revenge and proportionality in punishment book jacket

the result is an important contribution to the literature on a growing hazard for people in the workplace and an essential resource for executives and managers who must cope with it book jacket

this book is written for employees management and employers to help them to deal with this problem in an appropriate manner it is also hoped that the book will help to raise awareness that bullying does happen and is happening on a daily basis in

in recent years research interest has increased both in the needs of punishment by the public and in the psychological processes underlying decisions on sentencing this comprehensive look at the social psychology of punishment focuses on recent advances and presents new findings based on the authors own empirical research chapters explore the application of social psychology and social cognitive theories to decision making in the context of punishments by judges and the punitiveness of laymen the book also highlights the different legal systems in the uk us and europe discussing how attitudes to punishment can change in the context of cultural and social development

from our decrying of the abuse excuse to our cheers of free the juice our reactions to violent crime fluctuate wildly expanding on her well known ideas about self help and the american psyche wendy kaminer shows us how pop psychology and religious fervor vie with law and rationality in our courtrooms and in our minds she doesn t offer up any easy solutions rather with her trademark epigrammatic brilliance she gives us an alarming picture of the emotional needs and cultural forces behind our righteous proclamations about crime and punishment

now in its ninth edition this classic book retains the features that have made it the best selling introductory human communication text in the field an engaging and reader friendly sty an inviting visual design that includes high interest marginalia on virtually

every pa up to date information on technology gender and cultural diversity and everyday applications based on solid research and theory maintaining the quality of presentation and student focused pedagogy that have characterized previous editions understanding human communication ninth edition incorporates updated examples and coverage of current communication theory it continues to equip students with effective communication skills that will make a difference in their everyday lives book jacket

this guide can be used as a text complete with review questions for engineering safety engineering and science courses practicing engineers in the field will find this a ready reference handbook and managers and technical personnel will have a useful reference in dealing with complex safety matters and planning worker training government officials regulatory personnel and members of the legal profession will also find the book a helpful general overview of the subject safety engineering is an important hands on safety volume for the technical and management library book jacket
