due to the diversity in buddhism its essence remains a puzzle this book investigates the buddhist path to liberation

from a practical and critical perspective by searching for patterns found in the pāli nikāyas and the chinese Āgamas the early discourses depict the buddhist path as a network of routes leading to the same goal liberation from suffering this book summarizes various teachings in three aspects provides a template theory for systematically presenting the formulas of the sequential training of the path and analyses the differences and similarities among diverse descriptions of the path in the early buddhist texts by offering a comprehensive map of the buddhist path this book will appeal to scholars and students of buddhist studies as well as those practitioners with a serious interest in the buddhist path

this four volume set provides reference entries primary documents and personal accounts from individuals who lived through the holocaust that allow readers to better understand the cultural political and economic motivations that spurred the final solution the holocaust that occurred during world war ii remains one of the deadliest genocides in human history with an estimated two thirds of the 9 million jews in europe at the time being killed as a result of the policies of adolf hitler and nazi germany the holocaust an encyclopedia and document collection provides students with an all encompassing resource for learning about this tragic event a four book collection that provides detailed information as well as multidisciplinary perspectives that will serve as a gateway to meaningful discussion and further research the first two volumes present reference entries on significant individuals of the holocaust both victims and perpetrators anti semitic ideology and annihilationist policies advocated by the nazi regime giving readers insight into the social political cultural military and economic aspects of the holocaust while enabling them to better understand the final solution in europe during world war ii and its lasting legacy the third volume of the set presents memoirs and personal narratives that describe in their own words the experiences of survivors and resisters who lived through the chaos and horror of the final solution the last volume consists of primary documents including government decrees and military orders propaganda in the form of newspapers and pamphlets war crime trial transcripts and other items that provide a direct look at the causes and consequences of the holocaust under the nazi regime by examining these primary sources users can have a deeper understanding of the ideas and policies used by perpetrators to justify their actions in the annihilation of the jews of europe the set not only provides an invaluable and comprehensive research tool on the holocaust but also offers historical perspective and examination of the origins of the discontent and cultural resentment that resulted in the holocaust subject matter that remains highly relevant to key problems facing human society in the 21st century and beyond

traces the history of anti semitism from biblical times through the twelve years of the nazi era 1933 1945 and

describes hitler s plans to annihilate european jews by focusing on the warsaw ghetto and the auschwitz birkenau concentration camps also discusses the continuing effort to remember the horrors of the holocaust

few topics in modern history draw the attention that the holocaust does the shoah has become synonymous with unspeakable atrocity and unbearable suffering yet it has also been used to teach tolerance empathy resistance and hope understanding and teaching the holocaust provides a starting point for teachers in many disciplines to illuminate this crucial event in world history for students using a vast array of source materials from literature and film to survivor testimonies and interviews the contributors demonstrate how to guide students through these sensitive and painful subjects within their specific historical and social contexts each chapter provides pedagogical case studies for teaching content such as antisemitism resistance and rescue and the postwar lives of displaced persons it will transform how students learn about the holocaust and the circumstances surrounding it

the vimuttimagga the path to freedom is a theravāda buddhist manual on the path leading to nibbāna the ultimate freedom from all mental bondage that is reached through the practice of virtue concentration and wisdom the emphasis of the manual is on concentration or meditation and it contains detailed explanations of all of the traditional buddhist meditation topics the manual was composed by the buddhist monk upatissa as a guide for those who wish to practise this path along with its successor the larger and more scholastic visuddhimagga it is the only known ancient buddhist manual that is solely dedicated to the cultivation of the path and that gives such detailed systematic and sometimes unique instructions the original pāli text of the vimuttimagga probably composed in sri lanka in the 3rd or 4th century ce is lost and the treatise now only survives as a 6th century chinese translation and partially in tibetan translations besides the first complete english translation of the chinese text of this important work as well as a translation of the tibetan quotations from it this book also contains an extensive introduction discussing the contents history and other aspects of the vimuttimagga

dwight eisenhower s encounter with the holocaust altered how he understood the second world war and shaped how he led the united states and the western alliance during the cold war this book is the first to blend scholarship on eisenhower world war ii and the holocaust together constructing a narrative that offers new insights into all three all while uncovering the story of how he became among the first to vow that such atrocities would never again be allowed to happen from the moment he stepped foot in the concentration camp ohrdruf in april 1945 defeating nazi germany took on a moral hue for eisenhower that had largely been absent before it spurred the belief that

totalitarianism in all its forms needed to be confronted this conviction shaped his presidency and solidified american engagement in the postwar world putting these pieces of the story together alters how we view and understand the second half of the twentieth century

includes list of members 1882 1902 and proceedings of the annual meetings and various supplements
