this book describes the views of two of our nation's greatest presidents and explains how these views provide valuable insight into modern day debates the first extended examination of the ideas of both lincoln and jefferson it provides readers with a succinct guide to their opinions that still resonate today

from acclaimed historian john ferling the story of thomas jefferson thomas paine and james monroe's involvement in the american and french revolutions and their quest for sweeping change in both america and europe thomas jefferson thomas paine and james monroe hazarded all in quest of revolutions as founding fathers they risked their lives and their liberty for american independence and as reformers each rejoiced at the opportunity to be part of the french revolution praying that it in turn would inspire others to sweep away europe's monarchies and titled nobilities for these three men real revolution would lead to substantive political and social alterations and an escape from royal and aristocratic rule but as the eighteenth century unfolded these three separated onto different routes to revolution two became soldiers two became writers and two became statesmen and their united cause but divided means reshaped their country and the western world apostles of revolution spans a crucial time in western civilization the era ranged from the american insurgency against great britain to the declaration of independence from desperate engagements on american battlefields to the bloody terror in france it culminates with the tumultuous election of 1800 the outcome of which according to jefferson saved the american revolution written as a sweeping narrative of a turbulent and pivotal era apostles of the revolution captures the spirit of our founding fathers and the history of america and europe's great turning point

examines the works of frederick douglass booker t washington w e b du bois and several other canonical figures to uncover a rich and vital tradition of black environmental thought from the abolition movement through the harlem renaissance provides the first careful linkage of the early conservation movement to black history the first detailed description of black agrarianism and the first

analysis of scientific racism as an environmental theory

he also examines their struggle to revive the experiment with the 1890 federal elections bill of the last serious attempt at civil rights legislation until the 1950s

a biography of the famous confederate cavalry general

through a close analysis of legislative proceedings and of the precise language used maltz builds a strong case that congressional actions on civil rights including statutes such as the freedman s bureau bill the district of columbia suffrage bill and the civil rights act of 1866 as well as the thirteenth fourteenth and fifteenth amendments of the early reconstruction era generally reflected the ideology and intentions of the more conservative republicans these moderates advocated limited absolute equality rather than total racial equality and opposed the undue federal regulation of private and state actions

hundreds of alphabetically arranged biographical and topical entries survey the current state of lesbian gay bisexual transgender and queer american culture

pt 1 learning war communities go to war forging foreign and domestic weapons the ways of making war the dialogue of politics 1861 1862 pt 2 making war congress and the capitalists congress and the second american system agricuklture and the benefits of war inductive workers and the costs of war the meanings of emancipation the dialogue of politics loyalty and unity 1863 1864 pt 3 finding war s meanings world images of war frankenstein and everyman sherman grant and modern war the scars of war the coming of the lord religion in the civil war era conclusion

a history of the activities of the committee on the conduct of the war cocow established by the american congress shortly before the beginning of the civil war the study focuses on the nature of its power and influence on military policy in order to show its true impact

this book offers conclusions that are very different from most of the traditional historical interpretations of the buchanan presidency historians have either condemned buchanan for weakness and vacillation or portrayed him as a president dedicated to peace who did everything constitutionally possible to avoid war under the scrutiny of elbert b smith buchanan emerges as a strong figure who made vital contributions not to peace but to the accelerating animosities that produced the war historians who have considered the civil war a necessary and justifiable price for the destruction of slavery should feel a debt to james buchanan smith writes those who think the war could and should have been avoided owe him nothing most of the accounts of the era have concentrated on the dred scott case bleeding kansas and the lecompton constitution the lincoln douglas debates john brown the rise of the republicans and the disintegration of the democrats the election of 1860 and the bitter quarrels over slavery extension occasioned by these events buchanan has often appeared on a stage occupied by more important actors whether or not the war was already inevitable by march 1857 cannot be proved that a subsequent series of emotion packed events filled both north and south with rage and fear triggering secession and the war is undebatable it is smith s theory that buchanan in leading the united states through these fateful years added much to the war spirit that developed in both sections driven by affection and sympathy for the southerners he tried to satisfy their demands for slavery rights in the territories this aroused bitter anti south feelings throughout the north which foiled his efforts and further convinced the southerners that they could no longer have their way inside the union the one event that finally triggered the southern secession was the election of a republican president and buchanan s agreement with the southern demands and his personal hatred for stephen a douglas did much to accomplish this covering the most controversial period in american history smith presents important new evaluations for the consideration of students of both the civil war and the presidency
