glamour icons is a collection of the most iconic and spectacular perfume bottle designs of the last

century written by designer marc rosen the book offers an insight into the history of perfume bottles their place in society and their inspirations th

in the quiet corner of an antique shop nestled between forgotten jewelry boxes and tarnished silver sits a small amber bottle no larger than a child s palm its crystal surface catches the afternoon light refracting golden beams that dance across dusty shelves the bottle s stopper carved into the delicate shape of a rose has witnessed decades of whispered secrets and stolen moments this is not merely a container for fragrance it is a vessel of memory a keeper of dreams and for those who understand its true value a treasure beyond measure the world of perfume bottle collecting represents one of the most enchanting and overlooked areas of decorative arts while many collectors gravitate toward paintings stamps or coins those drawn to perfume bottles enter a realm where artistry meets function where the ephemeral nature of scent meets the permanence of crystal glass and precious metals each bottle tells a story not just of the fragrance it once contained but of the era in which it was created the hands that crafted it and the lives it touched along its journey the fascination with perfume bottles extends far beyond their utilitarian purpose these miniature works of art represent the convergence of multiple disciplines glassmaking jewelry design fashion and the ancient art of perfumery itself when rené lalique began creating his iconic crystal bottles for françois coty in the early twentieth century he elevated what had previously been simple containers into objects of desire that were coveted independently of their contents this transformation marked the beginning of modern perfume bottle collecting as we know it today

over 800 beautiful color photos of perfume bottles ranging from the exquisite flacons of lalique baccarat viard brosse jollivet cristal nancy wheaton c k brenda and lucien guillard to figural bottles and dimestore novelties bottles with the original packaging are included as are catalogs and advertising photographs an important book for collectors

this complete collection showcases the finest in international contemporary and classic bottle design contrary to the other books that show beverage bottles but discuss only their content this guide is devoted exclusively to the art of bottle design including labels foil caps and carries these bottle designs were submitted by designers breweries microbreweries and wineries in response to an international call for entries informative essays by industry leaders such as barrie tucker of tucker

design provide insight into the history of bottle design and also current industry trends the books format features labels caps foil and sometimes the cases detailed captions and credits for all 200 entries indices of personnel and clients for use by industry professionals commentaries from top designers in the industry essays on the history of bottle design the book lists complete creative credits and descriptions of the design strategies employed and affords designers agencies and clients the recognition they deserve

ideals for those interested in collecting perfume bottles including which ones and how to buy them and advice on how to care for and display them

this is the first complete definitive guide to all the known perfume bottle designs of rené lalique and cristal lalique a sumptuous tribute to an artistry which has captivated the design world for decades with its lustre and nuance presenting more than 250 bottle designs the book reveals many bottles that have never before been illustrated and includes designs for bottles never produced or publicly viewed

packaging design became established as a specialist discipline in the 1960s yet few books have been published that offer sound practical advice for students now bill stewart describes the whole design process from concept creation to production including the all important considerations of brand development and the designer's obligations and responsibilities to the environment the methods described mirror the design process widely adopted commercially ensuring a relatively painless transformation from student to design practitioner this introduction to the subject is illustrated by a wide range of packaging examples and also includes useful tips and ideas for the designer concluding with a chapter on careers advice the book will be of interest to all students involved with packaging whether their specialism is structural or graphic design product design marketing or consumer behavioral studies

with thousands of listings from over 275 manufacturers including everything from foreign glass to american art glass carnival depression pressed and other popular styles the official r price guide to glassware is the most inclusive guide to glassware available this new edition is completely revised with updated prices fuller descriptions and thousands of additional listings fully illustrated with

200 black and white photographs and the author's own line drawings of glassware shapes each price is identified by manufacturer color and pattern with a national average selling price

perfume the very word evokes a world of sensuality the book of perfume details the history creation and selection of fine fragrance providing a complete guide to a fundamental element of the feminine mystique chapters trace the traditions of scent from the attars of Cleopatra to Marilyn Monroe's Chanel No 5 illustrations
