the third edition contains thought provoking problems and is designed to encourage classroom discussion and help students effectively learn criminal procedure principles ideally suited for a one semester course this casebook contains all the essential decisions without being overwritten or so massive as to be unwieldy in addition the new edition is completely up to date containing the latest decisions from the united states supreme court as well as problems based on important lower court decisions criminal procedure cases problems and exercises is unique because the authors actively seek to place students in situations that they are likely to encounter in practice and asks students to think about how they might handle those situations e g what does a lawyer do when asked to represent a client at a lineup for this new edition the authors have added a significant number of new problems they have also added important cases from the united states supreme court s last three terms

the scheb and scheb author team bring a combined experience that is both practical and academic the text covers all of the essential content in a manageable fashion and integrates the material logically utilizing extensive case material this book covers the historical background of criminal procedure and has been thoroughly updated to include the latest supreme court decisions and other developments in criminal justice today the text features a classic organization and traditional presentation of case law coupled with coverage of recent trends in law and procedure and ample student pedagogy the authors combined legal and practical experience provides students with first hand insights into the american legal system this is one of two splits of the combined criminal law and procedure 5th edition text c 2005 by the same authors this unique text offers an economical alternative in terms of length and price

this book for use in connection with a course focused upon the formal part of the criminal process covers counsel bail the charging decision preliminary hearing and grand jury review the prosecution s location and scope speedy trial pleading and discovery guilty pleas jury trial pretrial publicity the trial double jeopardy sentencing appeal and collateral attack all sections in the book are cross referenced to comparable sections of the authors seven volume criminal procedure treatise containing more detailed analysis and citations to additional supporting authorities

now there is a timely and effective book designed for today's criminal procedure course on police practices in criminal procedures the police marc miller and ronald wright draw selectively from their successful comprehensive criminal procedure casebook to focus exclusively on the crucial role of the police this succinct paperback reflects the current redirection of criminal procedure away from federal constitutional adjudication and toward state courts legislatures and executive agencies includes both major u s supreme court cases and important state cases emphasized the way the courts are handling criminal procedure through up to the minute materials illustrates key issues with provocative and interesting cases is accompanied by a thorough teacher's manual to help you adapt the material to specific course needs and teaching approaches criminal procedures the police opens with a chapter on daily interactions between citizens and police followed by searches and stops arrests remedies for unreasonable searches and seizures the impact of technology and politics interrogations identifications complex investigations defense counsel using the highly praised chapter from their comprehensive casebook as current as tomorrow's headlines criminal procedures the police has just the right scope and depth of coverage for a meaningful and manageable course on police practices

the 2007 supplement contains excerpts from the most significant supreme court opinions decided during this court term as well as summaries of other recent pertinent materials the supplement also includes selected federal statutes and the full federal rules of criminal procedure which can prove useful in your classes especially in the criminal procedure course in adjudication
