this book now in its second edition provides a comprehensive and up to date survey of the
field of international political economy although the subject s roots go far back the modern
field has developed along sharply divergent paths followed by different clusters of scholars
today there are multiple versions of ipe each with its own distinct personality this book
illuminates the full array of analytical styles and traditions to be found across the globe
in this rich field of study

this new edited textbook brings together leading international experts to provide an
authoritative introduction to the major subject areas on undergraduate courses in global
political economy it is a stand alone textbook that deals with central themes and issues as
well as outlining different theoretical approaches and engaging with contemporary debates
such as global trade and production global finance and the consequences of globalization it
is divided by subject area into 4 sections for ease of navigation and then sub divided into
chapters each of which has been specifically written for this book carefully edited by john
ravenhill the text reads as an integrated whole and is suitable as an introductory text for
undergraduates in both coverage and approach each chapter making full use of learning aids
such as boxes to summarize key terms and debates chronologies case studies web links and
further reading which complement the lively presentation of the subject

very well presented academic book in korea s economic prospects a valuable source of
research material on the economy and its prospects it will help one to understand the
factors leading to the korean recovery which has recently been recognised by the credit
rating agency marie aimée tourres the journal of development studies this book examines the
major issues arising from the korean financial crisis of 1997 it considers the strong
prospects for rapid economic recovery and the emerging changes in korea s international
economic relations and business environment the authors investigate the causes of the
financial crisis and provide an evaluation of remedial measures and reforms currently being
introduced in both private and public sectors of the korean economy the book identifies a
paradigm shift in korean economic policy and discusses korea s new role in both the regional
and global economy it also examines the major developments reshaping korea s international

business environment through fundamental policy shifts in trade foreign direct investment labor relations management practices and the emerging trends in e commerce

using first hand interview data yang jiang reveals the key trends of china s trade and financial politics after its wto accession in particular she highlights the influence of competing domestic interests government agencies and different ideas on china s foreign economic policy

this edited book focuses primarily on contemporary debates and the critical and postmodern theories to be considered a significant contribution to the field this book shows that critical international relations theories which are incomprehensible and challenging are easy and understandable the book analyzes the frankfurt school constructivism post colonialism feminism critical geopolitics political economy copenhagen school aberystwyth school paris school and ontological security critical theories in international relations argues that neither identity nor security can be considered a fixed and objective issue can change according to time and space and depend on historical and sociological factors nothing is given for critical approaches and they are produced and reproduced in ever changing conditions that lead to new truths and meanings these are the results of reflexive and non linear interactions in this context it is made pedagogically understandable to the readers within this framework

this is the most in depth study of the economic partnership between the european union and the cariforum countries a group of fifteen small developing economies in the caribbean the cariforum eu economic partnership agreement epa is the first trade agreement of its kind as it is a new type of wto compatible trade agreement between a group of developed countries and a group of developing countries as a principal negotiator for cariforum bernal s qualifications allow him to provide a unique perspective on the increasingly important topic of trade and economic development in the midst of globalization globalization trade and economic development comprehensively explores the components of the epa from all angles explains how the agreement provides opportunities to strengthen and accelerate economic development and outlines the policies which can allow the cariforum countries to seize these opportunities bernal s explanation of the institutional arrangements for the conduct of the negotiations by cariforum is invaluable to governments and regional organizations in developing countries for coordinating groups to advance common and joint positions in

international negotiations

this extensive handbook provides an in depth exploration of the political economy dynamics associated with the international monetary and financial systems leading experts offer a fresh take on research into the interaction between system structure t

facing asia examines the political and economic processes of regionalism and regionalization in asia with a focus on japan and japanese actors the articles by eminent scholars address the forces that tie the region together they treat topics ranging from japanese bilateral and multilateral oda and the activities of state and non state actors on the regional level to issues such as japanese multinational corporations foreign direct investment in asia and regional financial institutions methodologically the authors draw on disciplinary strengths in either the social sciences or economics while organizing their treatment around a shared political economic perspective by looking at asia through an interdisciplinary lens the volume offers something to anyone interested in japanese involvement in the politics and economics of the region in the final chapter the editors weave together the different approaches to japan s place in asian regional cooperation in the 1990s and beyond
