introduces the reader to the views of the most outstanding theologians in the history of christianity the book s three sections deal with patristic theology medieval and reformation theology and modern theology

there are many books about theological exegesis there are far fewer books of theological exegesis this volume on the historical books is the second in a six volume work of theological exegesis which will span select passages from the whole of the christian bible the aim is to read scripture according to its theological shape

as a witness to the living claim of god upon church and world made known in jesus christ the book and the series is intended for teachers pastors students and readers attentive to the theological and spiritual dimensions of the biblical witness in all its brilliance and mystery

through close readings of karl barth s theological work from 1916 to 1929 this book offers an exposition of barth s doctrine of sanctification in his earlier theology arguing that from his earliest writings after 1915 the doctrine of sanctification was one of the key theological components used in describing the encounter between god and humanity in a positive and concrete manner this book both fills an important gap in barthian scholarship and responds to the appeal by other recent interpreters of barth s theology for a more balanced and careful exposition of his work throughout the course of this exposition the force of eduard thurnyesen s wonderfully insightful comments about barth show themselves to be fruitfully borne out within his work from early on that is karl barth s theological thinking was from the beginning directed to the life of man the life of man on the one side and on the other the word of god that meets this life lays hold of it and transforms it

this book explores the theme of the missional conversion of the church namely how the church is transformed toward its missionary vocation from a biblical theological perspective the purpose of this book is to find biblically grounded theologically sound and practically applicable principles helpful for the church which seeks to be continuously shaped into a missional community which authentically and fully participates in god s mission today the biblical theological findings on how the triune god in the biblical narrative shapes the people of god toward their missionary vocation demonstrates first that in scripture the missional conversion of the church is primarily the consequence of its continuous encounter with the triune god and second that this divine human encounter for the missional conversion of the church is ineluctable in view of the ongoing tension between the missional faithfulness of god in fulfilling the missionary vocation of the church on the one hand and the missional failure of the church in its missionary vocation on the other hand

countering scholarly tendencies to fragment the text over theological difficulties this new studies in biblical theology volume contends that exodus should be read as a unified whole and that an appreciation of its missionary theme in its canonical context is of great help in dealing with the difficulties that the book poses

hermeneutics remains a divisive and polarizing topic within scholarly and ecclesiastical communities in south africa these tensions are not limited to theoretical differences but often crystallize on a grassroots level when local churches and church assemblies have to make important decisions on controversial ethical topics such as ordaining women in church offices assessing the ethics of gay marriages and taking a stance on the land debate in south africa this book makes a unique contribution in two ways firstly it focuses on the uniquely south african hermeneutical landscape secondly it relates theories to practical ethical application the unique scholarly contribution of this consists in it relating hermeneutics to ethics within the south african landscape a diverse group of scholars have been invited to partake in the project and the views expressed are often quite diverse this

allows readers to develop an understanding and sensitivity of the various angles employed and the interests at stake in addressing difficult societal problems

evil in scripture denotes both suffering and behavior that causes it anger often follows suffering anger at people is condemned but anger at god is accepted because biblical faith portrays god as inflicting evil this faith calls for an understanding of language about god acting and a biblical theodicy revealing god's goodness both are provided portrayals of god as inflicting evil do not deny that factually humans inflict it so the witness about human sin is included final chapters offer biblical deliverances from evil
