a primary resource introducing missions for the passionate follower of christ

back by popular demand this three volume work is now reprinted as a single volume this manual leads the student into a deeper broader mission understanding and vision by covering the biblical historical foundations the strategic dimensions and cross cultural considerations

veteran missionary and missiologist c gordon olson has distilled his knowledge and experience to produce an introductory text to missions that is marked by its balance between theory and practice

the evangelical dictionary of world missions contains more than 1 400 articles on the theory practice theology and history of missions a comprehensive one volume reference it not only provides a wealth of information on the topic of world missions it also offers a contemporary study of the subject from an evangelical perspective over three hundred missionaries theologians and educators from a variety of cultural denominational and ethnic backgrounds contribute their expertise to provide a broad survey of the history of world missions as well as current trends and research the evangelical dictionary of world missions a christianity today 2001 book award winner is a valuable research tool for professors and students in their study of world missions it is also a readily accessible resource for clergy and lay persons interested in the history of world missions and its continuing progress publisher

a wake up call to evangelicals to return to the biblical mandate and model for missions before we have no unique message to proclaim an alarming view of missions in the twenty first century

this overview considers issues involved in becoming a missionary the process of getting to the mission field and contemporary challenges a mission worker must face

the world missions topic formerly the home and foreign mission topic challenges the believer to step outside of the normalcy of their everyday lives and do something to help those who are in need this study series is an excellent tool to help develop missions outreach within one s community the lessons include questions for the student s consideration and discussion

veteran missionary and missiologist c gordon olson has distilled his knowledge and experience to produce an introductory text to missions that is marked by its balance between theory and practice

veteran missionary and missiologist c gordon olson has distilled his knowledge and experience to produce an introductory text to missions that is marked by its balance between theory and practice

this volume comprises an excellent introductory survey of christian missions from a d 30 to the twentieth century

missions is the work of the church to reach and teach the peoples of the world for christ s sake the missionary call is a vital part of the life of every follower of jesus christ and therefore the church but the effective discipleship of all nations requires a solid biblical historical and practical foundation therefore the study of missiology demands the effective application of biblical studies theology and history this text brings the rich heritage of evangelical missiology founded on conservative theology to a twenty first century audience passionate for the proclamation of the gospel introduction to global missions brings the authors decades of combined missionary and teaching experience to a survey text appropriate for college or seminary classroom the book is divided into four sections and thirteen chapters the text begins with the biblical and theological foundations of christian missions including a biblical theology of missions before moving to the practical and strategic issues of twenty first century missions the authors consider the historical development of missions with a view toward providing a basis for contemporary strategies a final foundational set of chapters addresses the impact of cultures on the communication of the gospel the remainder of the text deals with key issues and opportunities in missions including church planting missions in the local church and strategies for disciple making introduction to global missions provides a foundation for readers to consider their own missionary call whether as a full time field missionary or a church member on short term projects no matter their role great commission christians need a framework for doing missions well

by rejecting older typically eurocentric patterns of missions this volume courageously addresses the new global context for missions evangelism and education

what does the changing face of missions look like what challenges will appear in the years to come a number of key missionaries mission agency leaders seminary professors and pastors present insightful presentations of missions past and present seeking to revitalize the future of world evangelism

the first comprehensive one volume reference work to consider the history of world missions and contemporary study of the subject from an evangelical perspective
