on sunday mornings at grace community church small groups of people gather together in fundamentals of the faith classes that blend basic biblical truths with

personal obedience and service many young believers take these classes to grow in their understanding of biblical truths this study is ideal to disciple new believers or to realize afresh what it means to believe in Jesus

this book highlights religious faith from a positive psychology perspective examining the relationship between religious faith and optimal psychological functioning it takes a perspective of religious diversity that incorporates international and cross cultural work the empirical literature on the role of faith and cognition faith and emotion and faith and behaviour is addressed including how these topics relate to individuals mental health well being strength and resilience information on how these faith concepts are relevant to the broader context of relational functioning in families friendships and communities is also incorporated psychologists have traditionally focused on the treatment of mental illness from a perspective of repairing damaged habits damaged drives damaged childhoods and damaged brains in recent years however many psychological researchers and practitioners have attempted to re focus the field away from the study of human weakness and damage toward the promotion of a positive psychology of well being among individuals families and communities one domain within the field of positive psychology is the study of religious faith as a human strength that has the potential to enhance individuals optimal existence and well being

this paperback reprinting of Gustaf Aulen's great textbook of systematic theology should be a welcome delight to the Christian theologian the reputation of this second English edition based on the fifth and most extensively revised Swedish edition has steadily increased over the years as a clear and sound guide to the substance of the Christian faith besides treating the whole compass of traditional themes associated with the doctrines of God Christ and the Church Aulen in this edition has provided new chapters on the communion of saints and on the relation between scripture and tradition the chapters on the biblical validation of the content of faith the doctrine of the Lord's Supper and the unity of the church and the disunity of the churches were rewritten the statements on the relation between the two testaments creation and redemption natural law the resurrection the validity of infant baptism and eschatology were substantially revised Aulen's keen analysis and clear presentation of the fundamental motifs of the Christian faith his sharp demarcation of these motifs from their aberrations in the history of Christian thought and in contemporary theology and especially his profound sense of the oneness of the Church's faith have endeared this book to students theologians clergymen and hosts of intelligent and inquiring laity of every denomination

do faith schools have a place in a plural society which types of school contribute most effectively to a plural society this fascinating monograph seeks to answer these questions and more by exploring the fit between personal spiritual and academic goals in contemporary educational experience and individual school cultures Jo Cairns a well respected authority on faith schools argues that educational ideology in plural societies has to find a way of recognizing and responding to the predicament of pluralism as it is experienced by individuals and communities this provocative and challenging book will undoubtedly stimulate debate among educationists across the world

when your faith no longer works and the catch phrases and Christianese that got you to where you are cannot take you past your current crisis what do you do is doubt okay is it okay for Christians to struggle with what they believe is it okay to question God this book takes an honest and in depth look at faith crises

experiences from interviews with sixty people and five biblical narratives addressing head on the issues of doubt and times of questioning one's faith shaken faith outlines a biblical perspective and a fresh way of viewing doubt the questions Christians experience in their faith and faith crisis moments in order for faith to be real it must be challenged and shaken so that the depth of the faith can be rooted in an unshakable God

the concept of faith holds a central position in new testament and early Christian thought yet this concept has not received the careful attention it deserves in the synoptic gospels the present study offers a comprehensive analysis of faith as a key motif in the gospel of Matthew where it plays a major role in communicating this gospel's vision for how readers should respond to the person and message of Jesus the argument propounded is that Matthew's unique narrative portrayal of the Canaanite woman's faith 15:21-28 is used for pedagogical purposes namely that by comparing and contrasting her great faith with those characters expressing no faith and little faith Matthew uses Jesus's quantitative  $\mu\iota\sigma\tau$  terms to teach on the nature of true faith she embodies Matthew's theological vision of faith even though she is a Gentile outsider enemy she comprehends the universal scope and abundant blessings of Jesus's mission moreover she acknowledges Jesus's messianic identity correctly perceiving him to be both David's royal heir and David's Lord finally based on who she perceives Jesus to be and the purpose of his mission she demonstrates faith as trust manifested in action
