after decades of overwhelming political domination by the people's action party pap singapore has entered a phase of political transition it started with the loss of a group representation constituency grc in the 2011 general election ge2011 after a huge rebound in the fortunes of the pap in the 2015 general election following the death of founding prime minister lee kuan yew the transition resumed in the 2020 general election with the loss of yet another grc this book looks at the workers party singapore's leading opposition party through the eyes of yee jenn jong former non constituency member of parliament and central executive committee member of the party jenn jong took an unexpected leap into opposition politics just weeks before ge2011 and came out with a narrow loss of just one percent of the popular votes in this book he recounts his three contests in the general elections from 2011 2020 parliamentary work and other activities in opposition politics this book hopes to let readers better understand the nature of the work by opposition politicians in singapore which has been dominated by the pap's narrative since 1959 the author also shares his thoughts on the shape of singapore's politics going forward related link s

the combined practice area of the contributors to this book include social work psychotherapy sociology counselling psychology creative writing nursing and medicine several of the authors have multiple professions and have come to palliative care later in their careers indeed the combined skill of this group is impressive each chapter is unique and each story worthy in its own right the commonalities are remarkable also i recommend it to all palliative care professionals when feeling a little jaded about what we are doing and being

swept along with the winds of changing technology and evidenced based practice and to other health care workers who feel an inclination to bring a little humanity to their care omega vol 51 1 77 86 2005 this book offers unique way of looking at caring for palliative parents by using the influence of the self it also offers an opportunity for reflection how our experiences can enrich the experience of patient s faced with the prospect of dying professionals who enjoy reading stories will thoroughly enjoy this book international journal of palliative nursing in a way it is surprising that palliative care has not produced more books like this collections in which those engaged in the daily work of caring for dying and bereaved people share something of their motivations for entering this particular world their experiences along the way and their reasons for staying in or quitting it christina mason was right to embark on this project she has edited a book that deserves to be widely read palliative medicine 2003 this is a delightful book although its focus is on professionals working in specialist palliative care it would be useful for any practitioner wanting to learn more about reflective practice or their motivations for caring journal of community nursing this rich collection of accounts explores the personal and professional experiences of palliative care workers contributors from a variety of disciplines associated with care at the end of life among them social workers a nurse a doctor a counselling psychologist an academic researcher a psychotherapist and a creative writing therapist explain how and why they came to work in palliative care what they bring to the work and the ways in which it has enriched their own lives including descriptive examples of their work with clients and families they discuss the spiritual needs of patients how to manage personal boundaries and power relations the use of narrative and story telling in care work and the impact of working with people who are very ill and grieving on every day life this thoughtful and positive book presents a variety of experience based perspectives on working in palliative care emphasising the use of self and the importance of reflective practice in professional work this book will be of relevance to all professionals in medical and social care who want to gain a deeper understanding of their work and of the motivation underlying it

this is volume iv of eighteen in a series on the sociology of work and organisation first published in 1944 this is a study into journeys to work and their significance for wider industrial and community life in terms of value finance individual choice and happiness

for over half a century the middle east has been major migration corridor for domestic workers from asia and africa this book illuminates the multidimensionality of these workers lives as they engage in finding a balance between acting and being acted upon struggle and accommodation and movement and stasis

this book highlights the increasingly important contribution of geographical theory to the understanding of social change values economic political organization and ethical imperatives as a cohesive collection of chapters from well known geographers in britain and north america it reflects the aims of the contributors in striving to bridge the gap between the historical materialist and humanist interpretations of human geography the book deals with both the contemporary issues outlined above and the situation in which they emerge industrial restructuring planning women s issues social and cultural practices and the landscape as context for social action

creating a spirituality of work people want to feel good about their job no matter what they do they want their job to support their spiritual values and to have a meaning that extends beyond them this upbeat title can help anyone in any position do this with the work they re in right now the book helps create a spirituality of work that leads to more creativity and satisfaction and to a better balance between one s home life and work life it offers concrete step by step help to uncovering the calling present in every job helping everyone from the first time employee to the burned out veteran this title uses humor realism and optimism to tackle the problem shows how work is a calling to be in relationship invites participation through chapter questions and exercises is easily adaptable for different jobs situations lifestyles and personalities embraces people of all faiths this is inspiring practical reading for o adult ed classes o business students o company retreats o classes on business ethics o vocational counselors o pastoral counselors o and every worker whether

currently employed or unemployed

vols 1 64 include extracts from correspondence

this study re establishes budget standards methods and uses them to estimate the relative needs of different families the costs of children and lone parents and to assess the adequacy of social security benefits detailed budgets have been derived for six family types at both a low cost and a modest but adequate level
