long before Carrie Bradshaw in *Sex and the City* there was Mary Richards in the Mary Tyler Moore show every week as Mary flung her beret into the air while the theme song proclaimed you're gonna make it after all it seemed that young independent women like herself had finally arrived but as Katherine Lehman reveals the struggle to create accurate portrayals of successful single women for American TV and cinema during the 1960s and 1970s wasn't as simple as the toss of a hat *Those Girls* is the first book to focus exclusively on struggles to define the single girl character in TV and film during a transformative period in American society Lehman has scoured a wide range of source materials unstudied film and television scripts magazines novels and advertisements to demonstrate how controversial female characters pitted fears of societal breakdown against the growing momentum of the women's rights movement Lehman's book focuses on the single girl an unmarried career woman in her 20s or 30s to show how this character type symbolized sweeping changes in women's roles analyzing films and programs against broader conceptions of women's sexual and social roles she uncovers deep seated fears in a nation accustomed to depictions of single women yearning for matrimony yet as television began to reflect public acceptance of career women series such as *Police Woman* and *Wonder Woman* proved that heroines could wield both strength and femininity while movies like *Looking for Mr. Goodbar* cautioned viewers against carrying new found freedom too far Lehman takes us behind the scenes in Hollywood to show us the production decisions and censorship negotiations that shaped these characters before they even made it to the screen she includes often overlooked sources such as the TV series *Get Christie Love* and *Ebony* magazine to give us a richer understanding of how women of color negotiated urban singles life and she reveals how trailblazing characters continue to influence portrayals of single women in shows like *Mad Men* this entertaining and insightful study examines familiar characters

caught between the competing fears and aspirations of a society rethinking its understanding of social and sexual mores those girls reassesses feminine genres that are often marginalized in media scholarship and contributes to a greater valuation of the unmarried independent woman in america

this book collects all of the legendary comics stories that craig and ec great al feldstein collaborated on under the pseudonym f c aljon of special interest to collectors we present two stories for the first time since their initial publication more than 70 years ago moon girl ec s first and only superhero and one of ec s earliest horror stories and zombie terror both scanned from the original art plus edna sunday the story of a vicious woman murderer restored for the first time ever with its original never before printed shocking splash panel twenty six stories in all with essays and commentary by ec experts

in the early days of television many of its actors writers producers and directors came from radio this crossover endowed the american radio archives with a treasure trove of television documents the collected scripts span more than 40 years of american television history from live broadcasts of the 1940s to the late 1980s they also cover the entire spectrum of television entertainment programming including comedies soap operas dramas westerns and crime series the archives cover nearly 1 200 programs represented by more than 6 000 individual scripts includes an index of personal names program and episode titles and production companies as well as a glossary of industry terms
