the definitive 1990s blockbuster steven spielberg s jurassic park met with almost universal critical and popular acclaim broke new ground with its cgi recreation of dinosaurs and started one of the most profitable of all movie franchises to mark the film s 30th anniversary this exciting illustrated collection of new essays interrogates the jurassic park phenomenon from a diverse range of critical historical and theoretical angles the primary focus is on jurassic park itself but there is also discussion of the franchise and its numerous spin offs as well as leading international scholars of film studies and history contributors include

experts in special effects science on screen fan studies and palaeontology comprehensive up to date and accessible the jurassic park book appeals not only to students and scholars of hollywood and contemporary culture but also to the global audience of fans of the greatest of all dinosaur movies

the geography of the book is as old as the history of the book though far less thoroughly explored yet research has increasingly pointed to the spatial dimensions of book history to the transformation of texts as they are made and moved from place to place from authors to readers and within different communities and cultures of reception widespread recognition of the significance of place of the effects of movement over space and of the importance of location to the making and reception of print culture has been a feature of recent book history work and draws in many instances upon studies within the history of science as well as geography geographies of the book explores the complex relationships between the making of books in certain geographical contexts the movement of books epistemologically as well as geographically and the ways in which they are received

this new reference work lists geographically some 3000 u s book dealers of antiquarian specialty and used books providing address telephone and fax numbers hours stock size and specialties it also indicates whether the shop issues catalogs or undertakes special services such as appraisals and searches indexes allow access by subject store name and owner manager the volume invites comparison with r r bowker s american book trade directory abtd now in its 38th edition which lists bookstores dealing in both secondhand and new books and covers canada as well as the united states abtd lists 3 483 used and antiquarian dealers among its nearly 31 000 entries both works have gaps and abtd doesn t note hours though booksellers collectors special collections and rare book rooms are likely to prefer the volume under review especially because it costs so much less general collections already possessing abtd can probably pass on this new title

this is a picture book about parks it shows all the different kinds of people who come to the park but more than this here are the noise and quit the light and darkness the loneliness of the park this is a charming tribute to all parks
