have you ever wondered how great god s grace really is have you ever considered what grace might accomplish how far reaching is grace is there a possibility of grace that we have yet to discover come on a journey with robyn as she uncovers grace that is livin large in this new book she shines the light on a grace that stands ready to do more than we ve imagined when grace is tied together with our faith trust rest and our confession of god s word we will see the unbelievable the unattainable and the impossible come into manifestation discover that grace is more than enough that there is nothing it won t accomplish in your life with grace there is no enemy no wall no problem no situation or circumstance no matter how dramatic that you cannot successfully conquer with grace revealed robyn kern spradlin singer songwriter and musician has traveled with her family s music ministry the singing son rays for 30 years in 1987 answering god s call to minister his word not only in song but public speaking as well today a licensed minister with world harvest ministerial fellowship and the international ministerial association she successfully evangelizes the usa ministering in conferences revivals and various outreach ministries robyn third generation ministry on maternal and paternal sides of the family was born in mt vernon illinois but currently resides in south florida with her family

james mcreynolds is one incredible human being it is hard to believe that any human mind could brim so constantly with wonderful thoughts and ideas every book that jim writes seems to bristle with countless brilliant observations and quotable quotes each volume is a great big gorgeous bonfire burning in the dark of night and emitting sparks in every direction suddenly and often illuminating the landscape and revealing things the reader had never imagined when i learned that jim had written this book

about grace i had trouble believing he had done it grace is such a hackneyed subject in most christians experience every minister i know has preached sermon after sermon on the topic almost always without saying anything new or fresh about it what could this author possibly say about it now that hasn't been said thousands of times before i should have known better jim has amazed me with almost every book he has written his mind is an incredible reservoir of facts and ideas that invariably seem to shatter the night with their incredible freshness and brilliance chapter after chapter he offers pungent remarks and illustrations to illustrate an old familiar subject and to leave the reader shaking his or her head and saying wow that is brilliant or that is something i never thought of in my day i was a preacher too like jim and i'm sure that through the years i preached some sermons on the subject of god's amazing grace but i am also sure that none of those sermons not one of them contained the wealth of ideas and illustrations that are the hallmark of these chapters in jim's book i have often thought while reading the manuscript of this book how great it would have been all those years ago to have had this book as a resource i could have turned to before attempting to write my own sermons i know my sermons would have been better if i had so preachers be sure this volume is on your shelves now you will turn to it often over the years and be thankful you have it it will enrich every effort you make to share the wonderful grace of god with your needy congregation dr john r killinger warrenton virginia

for too long grace has been misunderstood underestimated or confined to the periphery of religious thought across many traditions often viewed as passive a divine kindness mercy at the time of our judgement the unmerited gift of salvation or something that compensates when we fall short after all we can do but what if i told you that grace is not just the backup plan when we fall short but the very power that enables us to move forward in the first place what if grace was the unseen force behind our discipleship the divine energy driving our spiritual growth the grand conductor of opportunities in our life and the power behind every covenant we make and keep what if grace was never supposed to act as a mere footnote to the gospel but as the very foundation on which it stands the power that unites all aspects of god's eternal plan what if we've been walking past a treasure hidden in plain sight not because it's rare but because it's everywhere through deeply personal real life experiences this book uncovers grace woven into every step of my journey not just in moments of salvation but in warning endurance revelation and transformation becoming more like christ i share these stories not merely to inspire but to awaken something deep within you to help you see that grace has been quietly and abundantly present in your life all along shaping your journey in ways you may not have yet recognized these aren't just my stories they're yours too grace revealed will

challenge everything you thought you knew about grace shifting it from a vague peripheral concept to the very center of the gospel of jesus christ grace is not a soft word it is a seismic word powerful disruptive and foundational once you rediscover grace you will never see god the gospel of jesus christ or yourself the same way again grace is hastening the work

special grace revealed is the journey of a mother and her love for her severely disabled son the journey begins with the tragic realization of her child s profound disability and follows the real life journey written with honest emotions there were many years of living in anger fear and hopelessness special grace revealed is written to encourage others who may be in a crisis in life and a crisis of faith with no hope for the future through the pages of the book readers will see god s hand in bringing kathy into an abundant life of faith but it was a journey the bible says unless one is born again he cannot see the kingdom of god john 3:3 god s grace is given to anyone willing to accept his love when a person has been wounded by events of life it may become difficult to accept god s love a person questions the goodness of god we may ask god why did you let this happened to my precious baby the pain is real and profound and the anger is destructive special grace revealed is the story of god s love and redemption over a lifetime it is a testimony of god s love story and his ultimate plan for his beloved it is a journey to an abundant life of the soul living for god s purposes and his glory the story is shared to encourage others who may be walking through a dark valley that seems to have no way out god loves us with an everlasting love if only we have the eyes to see it we can see his love as he reveals himself to his children when we become born again a life fully surrendered to god is a life fully set free from despair and hopelessness with faith we know that when jesus is all you have jesus is all you need
