florida is a story of astonishing growth a state swelling from 500 000 residents at the outset of the 20th century to some 16 million at the end as recently as mid century on the eve of pearl harbor florida was the smallest state in the south at the dawn of the millennium it is the fourth largest in the country a megastate that was among those introducing new words into the american vernacular space coast climate control growth management retirement community theme park edge cities shopping mall

boomburbs beach renourishment interstate and internet land of sunshine state of dreams attempts to understand the firestorm of change that erupted into modern florida by examining the great social cultural and economic forces driving its transformation gary mormino ranges far and wide across the landscape and boundaries of a place that is at once america s southernmost state and the northernmost outpost of the caribbean from the capital tallahassee a day s walk from the georgia border to miami a city distant but tantalizingly close to cuba and haiti mormino traces the themes of florida s transformation the echoes of old dixie and a vanishing florida land booms and tourist empires revolutions in agriculture technology and demographics the seductions of the beach and the dynamics of a graying population and the enduring but changing meanings of a dreamstate beneath the iconography of popular culture is revealed a complex and complicated social framework that reflects a dizzying passage from new spain to old south new south to sunbelt

why did some offenses in the south end in mob lynchings while similar crimes led to legal executions why did still other cases have nonlethal outcomes in this well researched and timely book margaret vandiver explores the complex relationship between these two forms of lethal punishment challenging the assumption that executions consistently grew out of and replaced lynchings vandiver begins by examining the incidence of these practices in three culturally and geographically distinct southern regions in rural northwest tennessee lynchings outnumbered legal executions by eleven to one and many african americans were lynched for racial caste offenses rather than for actual crimes in contrast in shelby county which included the growing city of memphis more men were legally executed than lynched marion county florida demonstrated a firmly entrenched tradition of lynching for sexual assault that ended in the early 1930s with three legal death sentences in quick succession with a critical eye to issues of location circumstance history and race vandiver considers the ways that legal and extralegal processes imitated influenced and differed from each other a series of case studies demonstrates a parallel between mock trials that were held by lynch mobs and legal trials that were rushed through the courts and followed by quick executions tying her research to contemporary debates over the death penalty vandiver argues that modern death sentences like lynchings of the past continue to be influenced by factors of race and place and sentencing is comparably erratic

the united states incarcerates more people per capita than any other industrialized nation in the world

about 1 in 100 adults or more than 2 million people while national spending on prisons has catapulted 400 percent given the vast racial disparities in incarceration the prison system also reinforces race and class divisions how and why did we become the world's leading jailer and what can we as a society do about it reframing the story of mass incarceration heather schoenfeld illustrates how the unfinished task of full equality for african americans led to a series of policy choices that expanded the government's power to punish even as they were designed to protect individuals from arbitrary state violence examining civil rights protests prison condition lawsuits sentencing reforms the war on drugs and the rise of conservative tea party politics schoenfeld explains why politicians veered from skepticism of prisons to an embrace of incarceration as the appropriate response to crime to reduce the number of people behind bars schoenfeld argues that we must transform the political incentives for imprisonment and develop a new ideological basis for punishment
