a highly original stirring book on mahatma gandhi that deepens our sense of his achievements and disappointments his success in seizing india s imagination and shaping its independence struggle as a mass movement his recognition late in life that few of his followers paid more than lip service to his ambitious goals of social justice for the country s minorities outcasts and rural poor pulitzer prize winner joseph lelyveld shows in vivid unmatched detail how gandhi s sense of mission social values and philosophy of nonviolent resistance were shaped on another subcontinent during two decades

in south africa and then tested by an india that quickly learned to revere him as a mahatma or great soul while following him only a small part of the way to the social transformation he envisioned the man himself emerges as one of history s most remarkable self creations a prosperous lawyer who became an ascetic in a loincloth wholly dedicated to political and social action lelyveld leads us step by step through the heroic and tragic last months of this selfless leader s long campaign when his nonviolent efforts culminated in the partition of india the creation of pakistan and a bloodbath of ethnic cleansing that ended only with his own assassination india and its politicians were ready to place gandhi on a pedestal as father of the nation but were less inclined to embrace his teachings muslim support crucial in his rise to leadership soon waned and the oppressed untouchables for whom gandhi spoke to hindus as a whole produced their own leaders here is a vital brilliant reconsideration of gandhi s extraordinary struggles on two continents of his fierce but finally unfulfilled hopes and of his ever evolving legacy which more than six decades after his death still ensures his place as india s social conscience and not just india s

in this ambitious original study pulitzer prize winner lelyveld sets out to measure gandhi s accomplishments as a politician and an advocate for the downtrodden against gandhi s own expectations and in light of his complex conflicted feelings about his place in indian history

first published in 1929 this book was intended to explain with documentary evidence the main principles and ideas for which gandhi had stood over the course of his career up until that point the author draws upon his long and intimate personal relationship with gandhi to give an authoritative and individual account of a man whose politics and philosophy has invited continuing analysis extended with illustrative selections from his speeches and writings the context in which gandhi s ideas were formed and developed provides the focus for this book with the first part examining the religious environment and the second the historical setting

the soul of leadership decodes the mysterious qualities that have propelled history s greatest leaders to the top of the ranks and shrouded them in legend gandhi martin luther king winston churchill buddha and provides a hands on approach to understanding and mastering these qualities the 10 fundamental principles which deepak chopra believes all leaders should follow include a leader is the symbolic soul of the group inner qualities determine the outcome of any situation for every need the right response can be found great leaders can respond to all situations from the higher levels

of spirit a leader focused only on external goals money victory power will fail using well known examples of great leaders and a clear concise breakdown of the virtues that a great leader must possess the soul of leadership demystifies leadership and empowers us all to become leaders in our own right from managing a family crisis to starting our own business
