in contrast to the scholarly attention given to the research of dance and music in other south east asian countries such as thailand indonesia and the philippines malaysian performance traditions are rarely the focus of academic studies indeed this is the first book to have been published on zapin a malaysian performing art which extends to singapore and east sumatra the syncretic combination of arab and malay performance elements in this dance is explained in detail with the extensive use of dance notations and music transcriptions the book argues that the transposition of zapin from a communal level to a national one involved not only a change in the context in which the dance is performed but also a change in its structure and cultural meaning finally the book traces the historical evolution of the malay dance form from a participatory art to one that is passively observed and investigates the music and dance structure of the genre

excerpt from swedish folk dances it is significant that the folk dance has come to fill a large place in the life of the people of the city country men and women coming to the town have left behind them the dances that have formed part of their lives and much of their pleasure because city conditions were different and country traits unbecoming our own country dances the lady of the lake hi jim along and even the virginia reel have not survived a separation from their birthplaces foreign people coming to our cities form closer groups and during times of festivity the emotions arising from old associations seek expression in the old dances the old rhythms of folk dances are common to all human life many generations of city dwelling cannot do more than cover thinly the innate tendencies to dance the old

forefather dances of the sod mountain or steppe it needs but the music and festal occasion to fling off newly acquired restrictions which overlie the pure rustic humanity of man thus the folk dance has come to signify the revival of the expression of old fundamental rural impulses pure and lovely as the sunshine of the fields the general european revival and our own use of the folk dance is an expression of this deep rooted longing in new york city dancing has taken its legitimate place in the education and recreation of the children in the schools there the dances have lightened the formal gymnastics with a natural interest and have returned large values in a normal joyous expression of fundamental impulses so few city recreations are not manufactured that the genuine is rare and is to be valued accordingly this volume of folk dances taken from swedish sources and sympathetically translated for american use by mr bergquist is genuine and cannot fail to receive the large appreciation it deserves for he has danced them as his forefathers did in sweden itself about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at [forgottenbooks.com](http://forgottenbooks.com) this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
