sufism in america sheds light on spiritual mystical islam in america the sufi path focuses on developing a personal relationship with god doing what is beautiful in the sight of god and struggling against the lower self to reach loving submission up to this point very little has been written about the sufi orders in america and

those who participate in them this study focuses on the alami tariqa in waterport new york which was started in the 1970s by a shaykh from the balkans the alami tariqa strives to uphold sharia while adapting to the western setting its membership is diverse consisting mostly of american born participants from christian and jewish backgrounds in addition to a few muslim immigrants from south asia this study explores how this order has acculturated to the american setting why individuals choose to join the tariqa and what it means to pursue spiritual goals in a modern western society conclusions are drawn from interviews a survey and observations of teachings plus the author s experience working with this community for over ten years the book interweaves personal stories and insider views with academic insight to provide a compelling and detailed picture of sufism as a living and dynamic tradition in america

from the editors at writer s digest this fantastic resource for romance writers details hundreds of magazine and book publishers who are interested in acquiring and publishing new romantic fiction each market listing provides information on where the publisher is located what they re looking for who to contact how to reach them and what their terms are each entry also comes with special insider tips for getting their attention you want to get your romance published start by looking here

this important book is a call to action for the library community to address the literacy and life outcome gaps impacting african american youth it provides strategies that enable school and public librarians to transform their services programs and collections to be more responsive to the literacy strengths experiences and needs of african american youth according to national assessment of educational progress neap only 18 percent of african american fourth graders and 17 percent of african american eighth graders performed at or above proficiency in reading in 2013 this book draws on research from various academic fields to explore the issues surrounding african american literacy and to aid in developing culturally responsive school and library programs with the goal of helping to close the achievement gap and improve the quality of life for african american youth the book merges the work of its three authors along with the findings of other researchers and practitioners highlighting exemplary programs such as the award winning pearl bailey library program the maker jawn initiative at the free library of philadelphia and the blue ribbon mentor advocate writing institute in the chapel hill carrboro city schools among others readers will understand how these culturally responsive programs put theory and research based best practices into local action and see how to adapt them to meet the needs of their communities

this important book introduces arnett s emerging adulthood theory to scholars and practitioners in higher education and student affairs illuminating how recent

social cultural and economic changes have altered the pathway to adulthood chapters in this edited collection explore how this theory fits alongside current student development theory the implications for how college students learn and develop and how emerging adulthood theory is uniquely suited to address challenges facing higher education today emerging adulthood and higher education provides important recommendations for administrators counselors and student affairs personnel to provide effective programs and services to facilitate their emerging adults journeys through this formative stage of life

this book discusses the concept of desire as a positive factor in human growth and flourishing all human decision making is preceded by some kind of desire and we act upon desires by either rejecting or following them it argues that our views on and expressions of desire in various facets of life and through time have differed according to how human beings are taught to desire therefore the concept has tremendous potential to affect human beings positively and to enable personal growth though excellent research has been done on the concepts of flourishing character education and positive psychology no other work has linked the concept of desire to all of these topics featuring key references explanations of central concepts and significant practical applications of desire to various fields of human thought and action the book will be of interest to students and researchers in the fields of positive psychology positive education moral philosophy and virtue ethics

new york times bestseller an explosive deeply reported exposé of johnson johnson one of america s oldest and most trusted pharmaceutical companies from an award winning investigative journalist a damning portrait associated press a page turning drama that raises life or death questions about the world s largest healthcare conglomerate jonathan eig pulitzer prize winning author of king a life longlisted for the national book critics circle award a chicago public library and new york public library best book of the year one day in 2004 gardiner harris a pharmaceutical reporter for the new york times was early for a flight and sat down at an airport bar he struck up a conversation with the woman on the barstool next to him who happened to be a drug sales rep for johnson johnson her horrific story about unethical sales practices and the devastating impact they d had on her family fundamentally changed the nature of how harris would cover the company and the entire pharmaceutical industry for the times his subsequent investigations and ongoing research since that very first conversation led to this book a blistering exposé of a trusted american institution and the largest healthcare conglomerate in the world harris takes us light years away from the company s image as the child friendly baby company as he uncovers reams of evidence showing decades of deceitful and dangerous corporate practices that have threatened the lives of

millions he covers multiple disasters lies and cover ups regarding the link of johnson s baby powder to cancer the surprising dangers of tylenol a criminal campaign to sell antipsychotics that have cost countless lives a popular drug used to support cancer patients that actually increases the risk that cancer tumors will grow and deceptive marketing that accelerated opioid addictions through their product duragesic fentanyl that rival even those of the sacklers and purdue pharma filled with shocking and infuriating but utterly necessary revelations no more tears is a landmark work of investigative journalism that lays bare the deeply rooted corruption behind the image of babies bathing with a smile

in a book written by women for women street smart safety for women offers tips on defensive living that will increase readers reliance on the one thing that can protect them most their safety intuition violence against women is a global health issue the threats women face today are unparalleled and more dangerous than ever before and for the first time in history the toxic cocktail of technology and social media has weaponized misogyny and virtualized violence against women there s an even more serious challenge that faces women today social conditioning the way our systems of family life education employment entertainment and pop culture spirituality and religion influence us leaves many of us ill equipped to deal not only with this escalating surge of attacks but also the unrelenting prevalence of sexual assault domestic violence and scams women have been culturally trained to discount one of their greatest protections safety intuition as women it is so ingrained in us to attend to everyone else including strangers on the street before we listen to ourselves that we have lost touch with our innate ability to often detect dangerous situations as the result we are left generally defenseless to recognize predators who manipulate our natural compassion to our own detriment this inability to listen to ourselves and be persuasion proof directly affects our personal safety and data shows that attacks on women continue to escalate daily across the world inside and outside of the home though everyone is talking about how women continue to be less safe few offer solutions women are terrified and they are looking for answers in street smart safety for women retired deputy sheriff joy farrow and technologist laura frombach herself a survivor of a violent household draw on their experiences both personal and professional to provide those answers dedicated to educating women in personal safety and showing them a defensive living strategy and trusting in themselves can reduce their probability of becoming a victim of a crime chapter 1 design for defensive living chapter 2 technology terror chapter 3 can you recognize a predator chapter 4 persuasion manipulation or more chapter 5 dating diligence chapter 6 what do victims of domestic abuse have in common with korean war pows chapter 7 financial security is key to your safety chapter 8 tips from a female cop chapter 9 shams scams and cons chapter 10 women and weapons chapter 11 from victim to victor
