a spirited retelling of several greek myths

unique in its coverage of contemporary american children s literature this timely single volume reference covers the books our children are or should be reading now from board books to young adult novels enriched with dozens of color illustrations and the voices of authors and illustrators themselves it is a cornucopia of delight 23 color 153 b w illustrations

the classical heritage continues to impact modern culture in many ways this bibliography lists and describes those books on greek and roman mythology from the mid 19th century to the present which are useful for introducing children to the classical world the volume begins with a brief history of children s books on classical mythology in the united states a chapter then discusses the various techniques through which classical myths were adapted for children the annotated bibliography follows with each entry including a critical annotation on how closely the work adheres to the original myth each entry also includes an indication of the grade level of each book indexes allow the user to locate sources according to title illustrator

time period myth and subject

retells legends of the heroes of the trojan war which began with paris of troy s abduction of helen wife of menelaus lord of greece

this volume offers eight approaches to myth its uses and purposes from viewing personal narrative as a form of healing myth to observing the atrocities committed daily arising from the most destructive form of myth the authors of the eight chapters here note that myths have existed from the beginning of the human race in a myriad of forms and serving a myriad of functions indeed the shared observation of these scholars is that humans have always been storytellers and always will be because myths are a part of the lives of every single person they are the story of us

crusades a bibliography with indexes

series covers individuals ranging from established award winners to authors and illustrators who are just beginning their careers entries cover personal life career writings and works in progress adaptations additional sources and photographs

four years passed since the battle of the prison of light the men of the dark lands endure meagre existence while others in their protected utopia prosper when dr mary wilson and the prince of shadows start having the same terrible nightmares the goddess neith labours to discover their meaning but her actions unwittingly release an ancient protector one she may not be powerful enough to defeat alone mary must rely on her skill as an archaeologist as both sides work together to discover the location of the hidden tomb of horus within they must unlock the secret songs of the osirian and convince the jackal king to awake from his eternal slumber foreword by michael jan friedman new york times bestselling author

includes entries for maps and atlases

home educator laura berquist presents a modern curriculum based on the time tested philosophy of the classical trivium grammar logic and rhetoric she has given homeschoilers a valuable tool for putting together a liberal arts curriculum that feeds the soul as well as the intellect her approach covering grades k 12 is detailed and practical and it is adaptable by parents and teachers to any situation this third revised edition includes a much expanded section for a high school curriculum and an updated list of resources for all grades

this annotated bibliography concentrates on books dealing with an important category of literature for youths that of war and peace the number of books for young people on this subject is surprisingly large yet it is often ignored though such books don t form the center of children s literature they do represent an important portion of it revealing to children vital truths about the human condition and how nobly humans can act under extreme hardship the book includes a number of different types of works dealing with war and peace e g allegories and parables

picture books poetry biographies revolutionary and civil war books tales of the holocaust and hiroshima and stories dealing with pacifism each entry includes author title publishing data and age level as well as an annotation that assesses the entry's pertinence quality and value in addition to this bibliography for youths there is an annotated bibliography of materials for adults that covers how to discuss the subject of war and peace with young people the volume is also extensively cross referenced and indexed providing access to authors illustrators and titles subject entries such as warriors and pacifists and categories of material such as parables or poetry it will be an important reference work for teachers dealing with the subject of conflict and for courses in education and the social sciences and a worthwhile addition to college university and public libraries

in its seventh edition through the eyes of a child an introduction to children's literature continues to be a visually stunning theoretically sound comprehensive overview of children's literature it focuses squarely on selecting and evaluating quality literature to share with children and guiding them to appreciate and respond to that literature this edition features multicultural literature and young adult literature in every chapter expanded coverage of biographies and informational books and over 100 new children's titles referenced throughout a children's literature cd rom accompanies the book and contains bibliographic information for thousands of titles making it even easier to share quality literature with children and adolescents
