the time has come to define feminism it is no longer possible to ignore it the century magazine 1914 in this landmark addition to scholarship nancy f cott author of the bonds of womanhood offers a new interpretation of american feminism during the early decades of this century a period traditionally viewed as on in which women won the right to vote and then lost interest in feminist issues cott argues instead that his period was a time of crisis and transition from the nineteenth century woman movement to the beginning of modern feminism many of the issues that are central to women today says cott were firmly articulated in the early decades of this century for example the problem of defining sexual equality so as to recognize sexual difference between men and women the ambiguous potential of a movement seeking individual freedoms for women by mobilizing sex solidarity and the tensions involved in attaining full expression in work and love are all enduring elements of

feminism seized upon by women of the 1910s and 1920s first discussing how feminism was indebted to its predecessors cott shows that increasing heterogeneity and diverse loyalties among women in the early twentieth century contradicted the premise of the nineteenth century cause of woman the singular noun symbolizing the unity of the female sex from this crisis emerged feminism championing individual variability and refuting the premise that a singular woman existed cott focuses on the suffrage campaign milieu in which feminism arose giving particular attention to the character and role of the national woman's party from its militant suffrage days to its advocacy of the equal right amendment in the 1920s against prevailing interpretations of the decline of women's political activities after 1920 cott counterposes the swelling numbers in women's voluntary associations and their political efforts she also analyzes the pitfalls that awaited women who tried for effectiveness in the male dominated political parties she sets the controversy over the equal rights amendment in new context discussing the full dimensions of the conflict as not merely over personalities tactics or class loyalties but as a signal example of the modern problem of capturing sexual equality and sexual difference in law the book explores the irony strewn path of women who as aspiring professionals and political actors attempted to put into practice the feminist intent to replace the abstraction woman with instead the human sex this history the story of women who first claimed the name feminists builds an essential bridge between the presuffrage period and today

this comprehensive portrait of nineteenth century reformer clarina howard nichols uncovers the fascinating story of a complex woman and reveals her important role in women's rights antislavery and westward expansion

this best selling text reader offers 65 interdisciplinary readings drawn from work in the humanities and the social sciences classic and contemporary selections represent both feminist and anti feminist viewpoints in an examination of women's lives and the ways in which women can effect alternatives to traditional gender roles extensive chapter introductions place selections in context define and explain concepts and terminology and provide a cohesive framework for the collection

this book could not be more timely kyvig provides a rich and comprehensive history of the politics and operation of the amending process it deserves the attention of not only historians political scientists and legal scholars but also those concerned with public affairs david m o brien author of storm center the supreme court in american politics a lively challenge to traditional views william leuchtenburg author of the supreme court reborn

a first rate introduction to the field accessible to scholarsworking from a variety of disciplinary and theoretical perspectives highlyrecommended choice offers both broadtheoretical considerations and applications to specific art forms diversemethodological perspectives and healthy debate among the contributors an outstanding volume philosophy and literature this volume represents an eloquent and enlightened attempt to reconceptualize thefield of aesthetic theory by encouraging its

tendencies toward openness self reflexivity and plurality discourse society all of the authors challenge the traditional notion of a pure and disinterested observer that does not allow for questions of race ethnicity class sexual preference or gender signs these essays examine the intellectual traditions of the philosophy of art and aesthetics containing essays by scholars and by the writer marilyn french the collection ranges from the history of aesthetic theory to a philosophical reflection on fashion the contributions are unified by a sustained scrutiny of the nature of feminist feminine or female art creativity and interpretation
