have you ever planned for a trip you have to think about all sorts of things some have more to do in order to plan for a trip than others but in my house planning includes a number of things for

me i have to plan out my itinerary so i know where i am going and what i am doing when i get there i have to plan for lodging medicine make sure i pack enough clothes think about what i might need and plan for what might happen like falling in the mud or ripping my pants i have to plan for how much it will cost me for food for lodging for gas spending cash and extras just in case of emergency i have to make sure the car has a check up in accordance with the weather i may need to plan for breaking down and so i may pack water extra insulation and i make a list of the emergency contact numbers i may have to use at work i have to get someone to cover for me and i leave emergency contact numbers in case i am needed if the family comes along then the list gets longer and longer if planning for a trip that might last a few days to a few weeks takes that much effort and time then doesn't it make sense to follow a plan for your life as a christian when jesus calls us to deny ourselves take up our cross daily and follow him there is some intentionality of thought and action that we must apply to our life when he calls us to make disciples and teach them everything he has taught us then that too implies a focus for our life that we must take into account to be a disciple is to be a student what are we to learn we are to learn why how and what to live for and then we are to live that out in our everyday life this process is what paul describes in ephesians 4:15 as growing up into him who is our head jesus christ it is the process of growing in faith hope and love too many christians and churches have not taken this process and endeavor seriously and because of it we have as we learn in 1 peter 1 corinthians and in the letter to the hebrews spiritual infants who have not grown up in essence they have failed to grasp and encounter the life god has prepared and promised for them they have also fallen short of being the faithful witnesses god has intended for us all to be in this life this book is for those churches and individuals who want some direction in taking the call to be transformed in our life with christ seriously i believe to take the initiative to be intentional about growing up in our salvation as 1 peter 2:2 states is to take advantage of the grace shown to us and to be faithful stewards of the salvation that was bought for us at such a great price
