this comprehensive resource is an invaluable teaching aid for adding a global dimension to students understanding of american history it includes a wide range of materials from scholarly articles and reports to original syllabi and ready to use lesson plans to guide teachers in enlarging the frame of introductory american history courses to an international view the contributors include well known american history scholars as well as gifted classroom teachers and the book s emphasis on immigration race and gender points to ways for teachers to integrate international and multicultural education america in the world and the world in america in their courses the book also includes a views from abroad section that examines problems and strategies for teaching american history to foreign audiences or recent immigrants a comprehensive annotated guide directs teachers to additional print and online resources

american historical review is the oldest scholarly journal of history in the united states and the largest in the world published by the american historical association it covers all areas of historical research

american history volume 1 surveys the broad sweep of american history from the first native american societies to the end of the reconstruction period following the civil war drawing on a deep range of research and years of classroom teaching experience thomas s kidd offers students an engaging overview of the first half of american history the volume features illuminating stories of people from well known presidents and generals to lesser known men and women who struggled under slavery and other forms of oppression to make their place in american life the role of christianity in america is central in this book americans faith sometimes inspired awakenings and the search for an equitable society but at other times it justified violence and inequality students will come away from american history volume 1 better prepared to grapple with the challenges presented by the history of america s founding the problem of slavery and our nation s political tradition

in the transatlantic world of the late eighteenth century easterly winds blew radical thought to america thomas paine had already arrived on these shores in 1774 and made his mark as a radical pamphleteer during the revolution in his wake followed more than 200 other radical exiles english dissenters whigs and painites scottish lads o parts and irish patriots who became influential newspaper writers and editors and helped change the nature of political discourse in a young nation michael durey has written the first full scale analysis of these radicals evaluating the long term influence their ideas have had on american political thought transatlantic radicals uncovers the roots of their radicalism in the old world and tells the story of how these men came to be exiled how they emigrated and how they participated in the politics of their adopted country nearly all of these radicals looked to paine as their spiritual leader and to thomas jefferson as their political champion they held egalitarian anti federalist values and promoted an extreme form of participatory democracy that found a niche in the radical wing of jefferson s republican party their divided views on slavery however reveal that democratic republicanism was unable to cope with the realities of that institution as political activists during the 1790s they proved crucial to jefferson s 1800 presidential victory then after his views moderated and their influence waned many repatriated others drifted into anonymity and a few managed to find success in the new world although many of these men are known to us through other histories their influence as a group has never before been so closely examined durey persuasively demonstrates that the intellectual ferment in britain did indeed have tremendous influence on american politics his account of that influence sheds considerable light on transatlantic political history and differences in religious political and economic freedoms skillfully balancing a large cast of characters transatlantic radicals depicts the diversity of their experiences and shows how crucial these reluctant émigrés were to shaping our republic in its formative years

includes university catalogues president s report financial report etc
