papers presented at a national seminar on development of special economic zones in india

this book examines sezs from a political economy perspective both to dissect the incentives of governments zone developers and exporters and to uncover both the hidden costs and untapped potential of zone policies costs include misallocated resources the encouragement of rent seeking and distraction of policy makers from more effective reforms however the zones also have several unappreciated benefits they can change the politics of a country by generating a transition from a system of rent seeking to one of liberalized open markets in revealing the hidden promise of sezs this book shows how the sez model of development can succeed in the future

with society s continuous development and the increasing demands of a growing human population the concept of special economy has emerged as a new theory in relation to animal agriculture the rearing and utilization of special economic animals which refer to artificially domesticated animals for economic value have gained attention worldwide in different parts of the world over 50 species of these special

economic animals are reared for commercial purposes and as a valuable food resource these include a variety of special breeds of livestock and poultry such as sika deer red deer yak silky chickens pigeons and ostriches fur animals like fox raccoon dog and mink are raised for their pelts while rare birds honeybees and silkworms are bred for their unique contributions additionally other valuable insects such as the black soldier fly also hold significance within the realm of special economic animals however the special economic animal industry faces complex pressures and challenges

this book systematically evaluates the trajectories of special economic zones sezs policymaking in india and its performance the findings of the study are the result of detailed fieldwork conducted by the author in india and china at different points in time exploring china s sezs policy and performance the book discusses whether indian policymakers were aware of the nuances of china s sezs policy and the various facets of performance before replicating it for india performance analyses of indian sezs are carried out using both a conventional set of performance indicators and new frameworks such as the zone trade performance index the resource cost framework and efficiency analysis offering a balanced view to rate the performance of indian sezs the significance of this study lies in its quest to provide an holistic appraisal of the various unexplored issues in the literature pertaining to sezs in india

special economic zones sezs are turning out to be one of the stiffest challenges for india s economic policy reforms since the announcement of sez rules on 10 february 2006 these zones have aroused unprecedented controversy the emotionally charged debate on sezs has often produced inflexible positions on either side the unusually strong public reaction has also forced policymakers to revisit several aspects of the policy in recent months why are sezs so controversial will they really exacerbate income inequality endanger food security and worsen regional imbalance or will they help indian industry in taking its final leap onto the global arena only time will provide the answers as the first

book on india s sezs this volume examines different popular perceptions both good and bad surrounding these zones apart from the international evidence and the indian story the book looks closely at critical issues like financial viability land requirements extant rules and the political economy of sezs admitting that the last word on the subject is far from being spoken the book contends that the sez saga will be a test of strength for the country s social and political concensus on its economic policies and future reforms introduced by eminent economist bibek debroy this book is a must read

this book provides a guide to the challenges of special economic zones focusing on africa while also discussing china taiwan dominican republic malaysia and south korea the impact on economic development of special economic zones is analysed to highlight the successes and failures of these zones new emerging issues such as the sustainable development goals and the fourth industrial revolution are presented as factors that need to be addressed in order for special economic zones to be productive in africa the role of foreign direct investments job creation industrialization and regulation is also discussed special economic zones economic development in africa aims to set out an empirical framework on how to create effective special economic zones it will be relevant to researchers and policymakers interested in african and development economics
