more than providing a compendium of southwestern indian history and culture this remarkable book gives the reader an understanding of and appreciation for the unique lifeways of these peoples whose philopophy the author believes may be our one great resource for peace

culture to culture encounters between natives and aliens have gone on for centuries in the american southwest among american indian tribes between american indians and euro americans and even according to some between humans and extraterrestrials at roswell new mexico drawing on a wide range of cultural productions including novels films paintings comic strips and historical studies this groundbreaking book explores the southwest as both a real and a culturally constructed site of migration and encounter in which the very identities of alien and native shift with each act of travel eric anderson pursues his inquiry through an unprecedented range of cultural texts these include the roswell spacecraft myths leslie marmon silko s almanac of the dead wendy rose s poetry the outlaw narratives of billy the kid apache autobiographies by geronimo and jason betzinez paintings by georgia o keeffe new west history by patricia nelson limerick frank norris mctague mary austin s the land of little rain sarah winnemucca s life among the piutes willa cather s the professor s house george herriman s modernist comic strip krazy kat and a a carr s navajo vampire novel eye killers

a comprehensive guide to the historic and contemporary indigenous cultures of the american southwest intended for college courses and the general reader

describes the history and culture of the native peoples of the regions on either side of the border with mexico

rev enl ed of indians of the american southwest 1975

introduction to the native peoples of the american southwest

puebloan ruins of the southwest offers over 325 color photos showing puebloan culture from its prehistoric beginnings through twenty five hundred years of growth and change ending with the modern day pueblo indians of new mexico and arizona

a collection of over 120 photographs of the jewelry pottery weavings and basketry of a number of native american tribes of the southwest

the geographically distinct american territories of california the great basin and the southwest have long sustained a variety of indigenous peoples including the miwok comanche and navajo respectively an examination of each of these culture areas yields rich histories filled with steadfast traditions and religious practices subsistence patterns dictated by geographic location and social interactions within and between tribes this absorbing volume surveys the history of the various groups that form these culture areas as well as the spiritual cultural and social practices that distinguish each tribe

this focuses on the history costume and material culture of the native peoples of north america it was in the southwest modern arizona new mexico and parts of california and other neighboring states that the first major clashes took place between 16th century spanish conquistadors and the indigenous peoples of north america despite nearly 500 years of white settlement and pressure the traditional cultures of the peoples of the southwest survive today more strongly than in any other region the best known clashes between the whites and the native americans of this region are the series of apache wars however there were other important regional campaigns over the centuries for example coronado s battle against the zuni at hawikuh in 1540 during his search for the legendary seven cities of cibola the pueblo revolt of 1680 and the taos revolt of 1847 and warriors of all of these are described and illustrated in this book

grazing land use history and grazing systems of the southwest range ecosystems economic social and cultural aspects of livestock production and management research and information needs and conclusions

when spanish explorers came to the southwest region of the united states in the 1600s they found over 20 000 american indians already living in the region these american indians were part of many different nations they had their own languages and cultures and they had developed ways to survive in the desert landscape pueblo people lived in permanent villages made of adobe brick the hopi had fifty different ways to cook and eat corn the navajo created colorful pictures from sand cornmeal and pollen many american indians still live in the southwest they make traditional jewelry use their native languages and run tourism programs at the grand canyon find out more about the history and culture of the native peoples of the southwest

the history of the diverse tribes who have called the southwest their home for thousands of years is told in this anthology through their folklore poetry letters journals essays photographs and through government documents the book includes recent historic documents as well as those of long ago and provides samples of the cultural political and social history as it continues to unfold for the hopi navajo comanche apache zuni paiute pima and other tribes
