a poor woodcutter's two children lost in the woods come upon a gingerbread house inhabited by a wicked witch with illustrations showing characters with modern dress and possessions

this accessible text will show students and class teachers how they can enable their pupils to become critical thinkers through the medium of picturebooks by introducing children to the notion of making meaning together through thinking and discussion roche focuses on carefully chosen picturebooks as a stimulus for discussion and shows how they can constitute an accessible multimodal resource for adding to literacy skills while at the same time developing in pupils a far wider range of literary understanding by allowing time for thinking about and digesting the pictures as well as the text and then engaging pupils in classroom discussion this book highlights a powerful means of developing children's oral language ability critical thinking and visual literacy while also acting as a rich resource for developing children's literary understanding throughout roche provides rich data and examples from real classroom practice this book also provides an overview of recent international research on doing interactive read alouds on what critical literacy means on what critical thinking means and on picturebooks themselves lecturers on teacher education courses for early years or primary levels classroom teachers pre service education students and all those interested in promoting critical engagement and dialogue about literature will

find this an engaging and very insightful text

in critical and creative perspectives on fairy tales an intertextual dialogue between fairy tale scholarship and postmodern retellings vanessa joosen broadens the traditional concept of intertextuality to include academic texts with three key texts from the 1970s at the center of her discussion marcia k lieberman s some day my prince will come bruno bettelheim s the uses of enchantment and sandra gilbert and susan gubar s the madwoman in the attic joosen connects the critical views expressed in these feminist and psychoanalytic interpretations with fictional fairy tale retellings and illustrations that have been published in dutch english and german since the 1970s while readers may not automatically connect fairy tale retellings and criticism joosen argues that they represent a similar conviction to understand interpret criticize and experiment with the original tale moving through her three critical focus texts in chronological order joosen addresses fairy tale retellings in prose poetry and pictures including revisions of snow white cinderella sleeping beauty hansel and gretel little red riding hood and beauty and the beast authors and illustrators whose work is discussed include paul biegel anthony browne gillian cross emma donoghue iring fetscher adèle geras otto gmelin wim hofman anne provoost anne sexton barbara walker and jane yolen joosen argues that retellings and criticism participate in a continuous and dynamic dialogue about the traditional fairy tale but on different terms critical and creative perspectives on fairy tales offers many insights into the workings of fiction and criticism that will appeal to fairy tale scholars literature scholars and general readers interested in intertextuality and fairy tales

children s early experiences of literacy have a major influence on how they continue to learn as they grow older children enter early childhood programs and school with a wealth of knowledge and understandings of literacy it is critical that early childhood professionals and teachers recognise and build on this learning literacy learning in the early years offers a practical introduction to literacy issues for early childhood professionals and teachers working with children aged 0 8 in childcare preschool and school contexts the authors take a socio cultural approach to literacy learning emphasising the importance of understanding the various contexts in which young children are involved in literacy practices they explore a range of literacy issues that early childhood professionals and teachers are facing in the 21st century these issues include the role of play in literacy learning how to use information communication technologies with young children and ways of introducing critical literacy literacy is understood broadly and readers are encouraged to explore a range of print and other media with children with chapters from both australian and uk authors literacy learning in the early years is an ideal professional reference and student text a very useful introductory text to literacy development in early childhood it is clearly written and accessible to the wide range of professionals working with young children as well as to teachers and parents it will be a valuable text in training at initial and in service levels on a wide range of courses lesley abbott professor of early childhood education manchester metropolitan university this well written comprehensive book combines many practical examples of learning to do literacy and suggestions for action and all the while engages the reader with questions and starting points for reflection susan hill associate professor the centre for studies in literacy university of south australia
