engendered by his charismatic radicalism of how plans for his execution were laid at the very heart of government and the military of the disinformation and media cover ups that followed every attempt to search out the truth as shocking as it is tragic an act of state remains the most compelling and authoritative account of how king s challenge to the us establishment led inexorably to his murder skyhorse publishing as well as our arcade imprint are proud to publish a broad range of books for readers interested in history books about world war ii the third reich hitler and his henchmen the jfk assassination conspiracies the american civil war the american revolution gladiators vikings ancient rome medieval times the old west and much more while not every title we publish becomes a new york times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home
