world renowned jesus scholar marcus j borg shows how we can live passionately as christians in today s world by practicing the vital elements of christian faith for the millions of people who have turned away from many traditional beliefs about god jesus and the bible but still long for a relevant nourishing faith borg shows why the christian life can remain a transforming relationship with god emphasizing the critical role of daily practice in living the christian life he explores how prayer worship sabbath pilgrimage and more can be experienced as authentically life giving practices borg reclaims terms and ideas once thought to be the sole province of evangelicals and fundamentalists he shows that terms such as born again have real meaning for all christians that the kingdom of god

is not a bulwark against secularism but is a means of transforming society into a world that values justice and love and that the christian life is essentially about opening one's heart to god and to others

world renowned scholar and preacher john r w stott embarks on a compelling course of study that first defends the fundamental claims of christianity and then defines the proper overworkings of these basic beliefs in the daily lives of believers here is a sound sensible guide for those who are seeking an intellectually satisfying presentation of the christian faith

this scarce antiquarian book is a facsimile reprint of the original due to its age it may contain imperfections such as marks notations marginalia and flawed pages because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world's literature in affordable high quality modern editions that are true to the original work

what are the seven dynamics of christianity what are the five levels of christians what are the four tracks of christianity how is the soul defined what is meant by the articles of christian conversion who is the christian witness and how does he operate what does the bible contain and what does it not contain what are the seven facts concerning the devil and much more

timothy keller renowned pastor and new york times bestselling author continues his encounters with jesus ebook series with the first christian a biblical exploration of the meaning of faith jesus conversations in the gospel of john can teach us a great deal about our lives today in his encounters with jesus series timothy keller pastor of new york's redeemer presbyterian church and new york times bestselling author of the reason for god explores biblical passages of conversations with christ to answer life's big questions by examining an encounter between jesus and mary magdalene one of his most beloved disciples keller clarifies the christian understanding of faith and explains its role in answering the big questions of life

now available in a fully revised and updated new edition this popular textbook by one of the worlds leading theologians offers a lively jargon free introduction to christianity features a wealth of new material on global christianity american christianity the orthodox church current theological debates and christianity in relation to other world religions includes enhanced and expanded student friendly features including numerous illustrations suggestions for further reading a glossary of christian terms and brief readings from primary christian sources written in an accessible and engaging style that assumes no prior knowledge of christian beliefs or practices

making it an invaluable resource for beginners to the subject as well as those looking for a refresher incorporates coverage of catholicism orthodoxy protestantism evangelicalism and pentecostalism a glossary related websites and other resources from dr mcgrath are available online at alistermcgrathwiley.com

alexander campbell explains the tenets and principles of the christian faith drawing upon decades of experience as a minister author and leader of the restoration movement as one of the first christians in north america to undertake mass distribution of the written word campbell understood how spreading knowledge and insight cemented god s cause this work serves as a summation of christianity explaining the significance of the holy bible god as creator and spiritual knower of all and the life of his son on earth jesus christ designed as an informative guide steeped in scriptural wisdom the christian system is both a wellspring of religious knowledge and a historic landmark of american christian authorship this edition also includes several lectures and pamphlets delivered by alexander campbell over the course of his life their topics range from the treatment and forgiveness of sin to the holy sacraments taken in church to the spiritual regeneration and rebirth of a man repentant and reformed in god s image fittingly the book concludes with a rallying call to christian faithful to the sons and daughters of the lord mindful and strident in emulating the kingdom of god a celebrated figure in the revivalist movement of the mid 19th century many modern churches in the usa trace their origins to the efforts of alexander campbell and his fellow leaders

we must commit ourselves heart and mind soul and will personally and unreservedly to jesus christ we must humble ourselves before him we must trust him as our savior and submit to him as our lord and then go on to take our place as loyal members of the church and responsible citizens in the community this is basic christianity the theme of this book with these words world renowned preacher john stott embarks on a compelling study that first defends the basic claims of christianity and then defines the proper outworkings of those main beliefs in the daily lives of believers from publisher description

an international bestseller by one of this century s most prominent theologians on being a christian is a work of exhaustive scholarship born of the author s passionate belief in jesus christ as the center of existence hans kung here assesses the impact of other world religions humanism science technology and political revolutions and sifting through the theological controversies within the christian community itself he affirms the vitality and uniqueness of christianity by tracing it back to its roots the reality of the historical christ but more than history or theology on being a christian reexamines what it means to be a christian today the role of christian ethics in a social and political context the relationship between christians and jews the organization of a community of believers and practical

suggestions for dealing with personal crises of faith this image books edition will reach even larger segments of the population for whom the book was written kung defines his audience as those who do not believe but nevertheless seriously inquire who did believe but are not satisfied with their unbelief who do believe but feel insecure in their faith who are at a loss between belief and unbelief who are skeptical both about their convictions and about their doubts who are christians and atheists gnostics and agnostics pietists and positivists lukewarm and zealous catholics protestants and orthodox a landmark work for both scholars and educated laity on being a christian has become a small summa of the christian faith this is not another gospel kung contends but the same ancient gospel rediscovered for today

this training guide and ministry reference teaches how to disciple leaders develop personal and spiritual life programs and deal with prevalent singles issues

do you ever wish that you knew some very basic things about god when you first committed your life to him this book is an exposition into how the truth and power of the word of god can transform the lives of the people who believe in jesus christ do you know that god is the ultimate symbol of trust and commitment to all who need to depend on someone there is a far reaching benefit from godliness that cannot be obtained apart from faith because faith in god through christ jesus is a firm foundation upon which we who believe can truly rest faith gives substance to something that does not exist physically but can be conceived in our hearts spoken about and believed in the believer cannot pursue purpose without gaining a deep and life changing revelation of his identity in christ jesus this book is worth reading read more a christian for more than 15 years robert odam has studied basic christian growth taught bible study classes and designed and directed new converts classes his book is based on subjects he personally developed and taught in his current church when he was superintendent of bible study classes he believes the topics in this book are as relevant today as ever and it will continue to be as long as there are more christians coming to god robert odam is currently a minister in his church in crystal minnesota dr robert odam is also a full time family practice doctor who works out of a medical clinic in minneapolis minnesota

gail ramshaw frames this new introduction to christianity around the basic questions that students ask investigating christianity as a lived experience she opens each chapter with a voice from the field of religious studies and then presents answers to each chapter s question by surveying the history doctrine practices and convictions of christian churches written for undergraduates with little or no background in the breadth of christianity the text of the book reports on the diversity of christian belief and practice and is accompanied with student friendly learning helps

the way to christ was the first published book of german mystic jacob boehme 1575 1624 who received a revelatory vision in 1600 while watching a beam of sunlight reflect in a metal dish a spiritual guide for christians this book contains boehme s method for attaining enlightenment and unity with god he offers prayers for readers to repeat and guides them through the repentance that is necessary in finding christ lost souls and christians out of touch with their faith will find boehme s conviction and passion inspiring

not since c s lewis s mere christianity has such a wise and informed leader taken the time to explain what christianity is and how it is practiced in simply christian renowned biblical scholar and anglican bishop n t wright makes a case for christianity from the ground up walking the reader through the christian faith step by step and question by question wright s simply christian offers explanations for even the toughest doubt filled skeptics leaving believers with a reason for renewed faith

the blessed christian life is a compilation of three celebrated christian classics and their timeless messages surrounding christian living how to succeed in the christian life first published in 1906 by r a torrey outlines the basic principles of the christian faith so that believers can enjoy a rewarding and successful christian life the practical guidelines also encourage readers who feel like they have not fully attained the christian life they desire according to the practice of the presence of god first published in 1692 aspiring to union with god is the ultimate goal of every soul it renders the simple wisdom of brother lawrence accessible to every christian who yearns for the fullness of life a christian s secret of a happy life first published in 1875 by hannah whitall smith is a spiritual classic that prompts readers to always follow god s will and divine guidance and to weigh up everything in life against scripture the blessed christian life is perfect for both new believers and those mature in their faith who long to be reminded of the victory they have gained in christ

from the creators of devotional classics and spiritual classics comes 25 books every christian should read the definitive guide to the most spiritually influential and important books for christians to read renovaré a community of christians promoting personal and spiritual renewal put together a prestigious editorial board including richard foster dallas willard phyllis tickle and richard rohr resulting in this wonderful resource for exploring the richness of the christian tradition

the encyclopedia of christianity is a monumental reference work that addresses the broad interest in christianity and religion around the world comprehensive up to date and reflective of the highest standards in scholarship the ec describes the christian faith and community in their myriad forms throughout the 2 000 years of christian history volume 4 of the ec contains more than 300 articles covering the alphabetical entries p s articles on significant topics ranging from paul political theology and the qurban to religious liberty

salvation history and scholasticism

for over fifty years and in more than sixty books leonardo boff has explored the mysteries of the christian message in this short work he sets out to describe the essence of christianity in language that is accessible and meaningful within the contemporary worldview including the scientific understanding of evolution and the expanding cosmos his essential question how does christianity fit into the process of the evolution of the universe which is at least 13 7 billion years old what does it intend to reveal what message does it bring to human beings for believers how does it reveal god and how is god revealed in it boff starts with the intuition that all is mystery and the bearer of mystery an inexhaustible source of love that wishes to be known this mystery is god known under a thousand names revealed in christianity as a communion of divine persons he goes on to relate this mystery to the story of jesus and the history of christianity which takes part in the common mission of other religious and spiritual paths to keep alive the sacred flame of the divine presence in each person in history and in the entire cosmic process

first published in 1964 and reprinted several times since the archbishop s chapters were given in substance at a mission in the university of oxford in 1960 dr ramsey has written a fresh preface and has expanded his remarks originally limited by their form as mission addresses in a number of places in its new format it will serve the 1970s as well as it served the 1960s we recommend this short book unreservedly to those who wish to find out in briefest compass the essence of the christian faith and life church times deep but not heavy and always felicitous an admirable introduction to the christian faith with a graceful appeal to reason as befits a great christian humanist times literary supplement
